

# High School Success

---

Cassie Medina

Assistant Superintendent

Office of Education Innovation and Improvement

**2025 Session Presentation to the Joint Audit Committee**

# High School Success Audit History

---

**Secretary of State  
Oregon Audits Division**

Oregon Department of Education  
**High School Success Planning Is Robust, but ODE Can Enhance Benefits of Measure 98 by Improving Monitoring and Analysis**

December 2020  
Report 2020-44

Oregon Department of Education  
**ODE Continues to Effectively Implement Measure 98 and Increase Collaboration Across Agency Programs**

December 2022  
Report 2022-33

**Oregon Department of Education  
High School Success Grants Have Expanded Important Programs, but ODE Can Do More To Identify and Share Effective Strategies**

December 2024  
Report 2024-34

# Audit Importance

\$125 Million  
Annually

CTE  
Programming

Interruptions  
to Outcomes

Improvements  
toward  
Integration

Figure 2: About 80% of HSS funds went to dropout prevention and CTE in the first six years of the program

# Areas to Highlight

Program Expansion

HSS Makes Up 5% of Total School Funding

Full Implementation is Needed

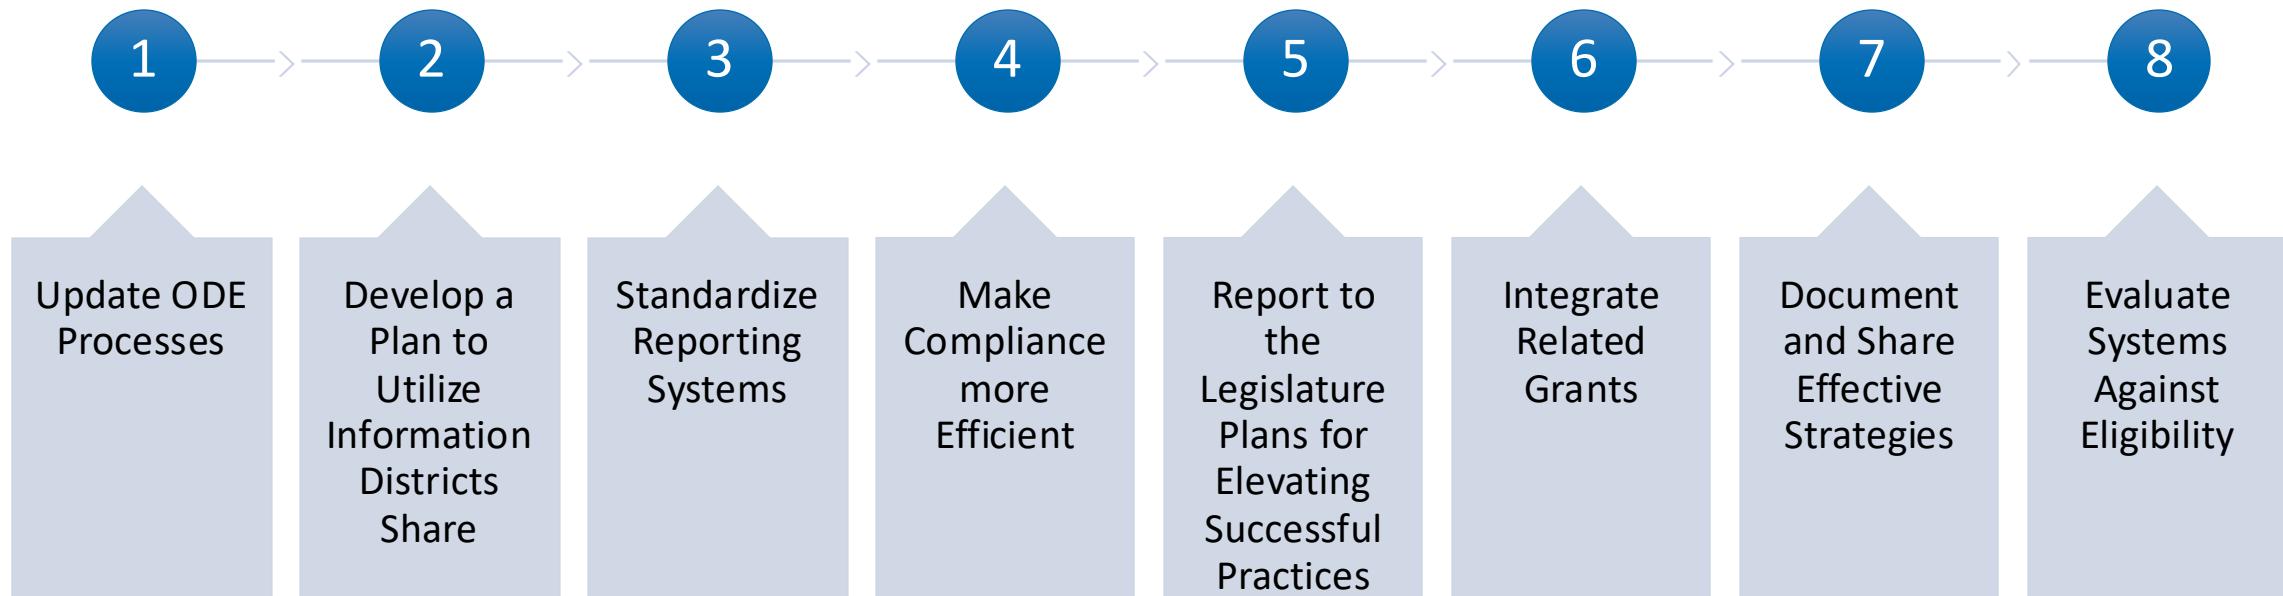

Administration Improvement

Student Success Act & Longitudinal Performance Growth Targets

Outcomes are Mixed
