WHAT THE MEASURE DOES:

The measure makes changes to the administration of the child support program, including allowing delivery of certain notifications and legal documents by electronic mail, rather than physical mail, if authorized by the recipient. Multiple Judgments (Section 4)

- Specifies that a later-issued child support judgment supersedes an earlier judgment if it involves the same child and parents, and if the later-issued judgment changed the child support obligation from one parent to another but did not expressly terminate the earlier obligation.

Child Support Program Administration, Repeals, and Conforming Amendments (Sections 5-79)

- Defines "public assistance" and clarifies that public assistance does not include payments made by the state to or for the benefit of a child as a result of a child's removal from the parents' home if the Department of Human Services (DHS) determines that a report of abuse is unfounded.
- Permits the delivery of certain notices, orders, and other legal documents regarding child support by electronic mail or delivery, rather than by regular first class mail, if authorized by the recipient.
