Work Session Recommendations

The measure modifies and expands civil penalty authorities of the Oregon Department of Agriculture in the Animal Health program relating to animal disease control and reporting to bring the program in alignment with other enforcement authorities at the Department. The measure establishes new civil penalties ranging from \$1,000 to \$10,000 per violation and authorizes the Department to take administrative action for unpaid penalties. Revenues are to be deposited into the Department of Agriculture Service Fund and are continuously appropriated to the Department for carrying out the administration and enforcement of the laws, rules, or orders under which the penalties are assessed.
