The Hon. Robert A. Wagner  
President of the Oregon Senate  
900 Court St. NE, S-201,  
Salem, Oregon 97301

Honorable Senate President Wagner,

The passage of SCR 32 by the Oregon Senate was truly a piece of good news to all those who care about the relations between China and the State of Oregon. It includes practical measures to enhance bilateral communication and cooperation and strongly support subnational friendship in China-U.S. relations.

Oregon-China Sister State Committee is an important mechanism in the Oregon State Legislature. The resumption of this mechanism is a new milestone of Oregon-China friendship. We would like to see OCSSC play an increasingly important role in the future under the leadership of you and Speaker Fahey.

I would also like to take this opportunity to pay tribute to you for your able leadership and personal commitment to China-Oregon relations. We look forward to expanding mutually beneficial cooperation with the State of Oregon in a broad range of areas, including working together with the Oregon side to import more of Oregon products as trade conditions allow. We warmly welcome you to lead a delegation to visit China this fall. We are convinced that this visit will lead to more win-win cooperation. We also welcome more legislators from Oregon to visit China in the future.

We stand ready to work together with you and the State Senate to further enhance friendly exchanges and pragmatic cooperation between China and Oregon, so as to deliver greater tangible benefits to our two peoples.

With warmest regards,

ZHANG Jianmin  
Consul General of the People's Republic of China in San Francisco
