

# CONFLICT AMENDMENT RECOMMENDATION

## SB 163

### Relating to parentage

---

To: Ways and Means Full Committee

Carrier: Representative Evans

---

SB 163 modifies Oregon Parentage laws by incorporating certain portions of the Uniform Parentage Act and allocates \$2.4 million total funds, which includes a one-time General Fund appropriation of \$598,249 and Other Funds expenditure limitation of \$1.7 million to the Oregon Health Authority to fund four limited duration positions and one permanent full-time position and increases Other Funds expenditure limitation by \$183,402 for the Department of Justice to fund one permanent part-time position.

The Joint Committee on Ways and Means previously approved this bill, and it has passed the Senate.

The –B4 amendment resolves conflicts with HB 3348 that result from modifications of ORS 109.252, which this measure repeals in its entirety. The conflict amendment specifies that if HB 3348 were to become law, ORS 109.252 is to be repealed under section 53 of this 2025 Act.

I recommend SB 163 be amended by the –B4 conflict amendment and be reported out do pass, as amended.
