**WHAT THE MEASURE DOES:**

The measure specifies that all billboard advertising intended to

- promote a lottery game,
- indicate where lottery tickets may be purchased,
- provide information about prize winners, or
- publicize projects or programs funded by lottery dollars

is to include the following statement: "Need help with problem gambling? Call or text," followed by the phone number of a problem gambling hotline. The measure applies to billboard advertisements first published on or after the effective date of the measure.

**ISSUES DISCUSSED:**

- Measure is not intended to be retroactive
- Current statutory requirements for lottery related billboards

**EFFECT OF AMENDMENT:**

The amendment specifies that the new requirements for billboard advertisements apply to billboards first published on or after the effective date of the measure.

**BACKGROUND:**

The Oregon State Lottery Commission (Commission) consists of five members. The commission oversees the governance of the Oregon State Lottery (Lottery) and is required to balance its obligations of maximizing revenues and serving the public good through the implementation of an Oregon State Lottery Responsible Gambling Code of Practice.

Commission responsibilities include

- preparing quarterly and annual Lottery operation reports,
- designating enforcement agents,
- overseeing the work of the Lottery Director,
- ensuring that retailers remain in compliance with regulations, and
- overseeing distribution of specified funds.

Current law requires that specified lottery billboard advertising include a disclaimer that "Lottery games should not be played for investment purposes."

Senate Bill 914 A specifies that all billboard advertising intended to

- promote a lottery game,
- indicate where lottery tickets may be purchased,
- provide information about prize winners, or
