

Open Government Impact Statement

83rd Oregon Legislative Assembly
2025 Regular Session

Measure: SB 688 - B

Only impacts on Original or Engrossed
Versions are Considered Official

Prepared by: Dexter A. Johnson
Date: 6/20/2025

SUMMARY

Digest: Allows the PUC to make a framework to reward or penalize power companies based on how well they perform. States how much money the PUC may spend to make the framework. (Flesch Readability Score: 71.0).

Allows the Public Utility Commission to adopt a framework for carrying out performance-based regulation of electric companies and use incentives and penalties to induce electric companies to bring electric utility operations in line with the public interest and certain objectives. Declares a public interest for purposes of the Act.

Limits expenditures from certain moneys collected or received by the commission for the purposes of carrying out performance-based regulation of electric companies.
