 6 **SECTION 7.** ORS 93.277 is amended to read:

7 93.277. A provision in a recorded instrument affecting real property is *[not enforceable if:]* **void**
 8 **and unenforceable, as being against the policy of this state of promoting housing availability**

13 *[(a)]* (1) Middle housing, as defined in ORS 197A.420; or

14 *[(b)]* (2) An accessory dwelling unit allowed under ORS 197A.425 *[(1); and]*.

 17 **2021.**

18 **SECTION 9.** ORS 94.776 is amended to read:

19 94.776. (1) A provision in a governing document *[that is adopted or amended on or after January*
 20 *1, 2020,]* is void and unenforceable, **as being against the policy of this state of promoting**
 21 **housing availability and affordability and affirmatively furthering fair housing as defined in**
 22 **ORS 197A.100,** to the extent that the provision would prohibit or have the effect of unreasonably
 23 restricting the development of, or the dividing of lands under ORS 92.031 for, housing, **including**
 24 **accessory dwelling units or middle housing,** that is otherwise allowable under the maximum
 25 density of the zoning for the land.

26 (2) Lots or parcels *[resulting]*, **as those terms are defined in ORS 92.010, that result** from the
 27 division of land in a planned community are subject to the governing documents of the planned

 42 **decreases the overall allowable or required density of residential development or creates ad-**
 43 **ditional limitations on allowed housing types that effectively reduces the allowable or re-**
 44 **quired density, except as necessary to comply with a statewide planning goal. Regulations**
 45 **prohibited under this subsection include any regulation, without an equivalent offsetting**

1 **regulation to increase density, that:**

 32 mission shall establish the effective date for application of a new or amended goal. Absent a com-
 33 pelling reason, the commission shall not require a comprehensive plan, new or amended land use
 34 regulation, land use decision[, *expedited land division*] or limited land use decision to be consistent
 35 with a new or amended goal until one year after the date of adoption.

36 **SECTION 31.** ORS 197.625 is amended to read:

37 197.625. (1) A local decision adopting a change to an acknowledged comprehensive plan or a
 38 land use regulation is deemed to be acknowledged when the local government has complied with the
 39 requirements of ORS 197.610 and 197.615 and either:

40 (a) The 21-day appeal period set out in ORS 197.830 (9) has expired and a notice of intent to
 41 appeal has not been filed; or

42 (b) If an appeal has been timely filed, the Land Use Board of Appeals affirms the local decision
 43 or, if an appeal of the decision of the board is timely filed, an appellate court affirms the decision.

44 (2) If the local decision adopting a change to an acknowledged comprehensive plan or a land
 45 use regulation is affirmed on appeal under ORS 197.830 to 197.855, the comprehensive plan or the

1 land use regulation, as modified, is deemed to be acknowledged upon the date the decision of the
 2 board or the decision of an appellate court becomes final.

3 (3) Prior to acknowledgment of a change to an acknowledged comprehensive plan or a land use
 4 regulation:

5 (a) The change is effective at the time specified by local government charter or ordinance; and

 8 use decisions unless a stay is granted under ORS 197.845.

9 (4) Approval of a land use decision[, *expedited land division*] or limited land use decision that is
 10 subject to an effective but unacknowledged provision of a comprehensive plan or a land use regu-
 11 lation must include findings of compliance with land use statutes, statewide land use planning goals
 12 and administrative rules of the Land Conservation and Development Commission implementing the
 13 statutes or goals that apply to the decision and that the unacknowledged provision implements.

14 (5) If an effective but unacknowledged provision of a comprehensive plan or a land use regu-
 15 lation fails to gain acknowledgment, a permit or zone change approved, in whole or in part, on the
 16 basis of the change does not justify retention of the improvements that were authorized by the
 17 permit or zone change.

18 (6) If requested by a local government, the Director of the Department of Land Conservation
 19 and Development shall issue certification of the acknowledgment upon receipt of an affidavit from:

20 (a) The local government, attesting that the change to the acknowledged comprehensive plan
 21 or the land use regulation was accomplished in compliance with ORS 197.610 and 197.615; and

22 (b) The Land Use Board of Appeals, stating either:

23 (A) That no notice of appeal was filed within the 21 days allowed under ORS 197.830 (9); or

24 (B) The date the decision of the board or the decision of an appellate court affirming the change
 25 to the acknowledged comprehensive plan or the land use regulation became final.

26 (7) The board shall issue an affidavit for the purposes of subsection (6) of this section within five
 27 days after receiving a valid request from the local government.

28 **SECTION 32.** ORS 197.724 is amended to read:

29 197.724. (1) An applicant for a new industrial use or the expansion of an existing industrial use
 30 located within a regionally significant industrial area may request that an application for a land use
 31 permit be reviewed as an application for an expedited industrial land use permit under this section

33 (a) An exception taken under ORS 197.732 to a statewide land use planning goal;

34 (b) A change to the acknowledged comprehensive plan or land use regulations of the local gov-
 35 ernment within whose land use jurisdiction the new or expanded industrial use would occur; or

36 (c) A federal environmental impact statement under the National Environmental Policy Act.

37 (2) If the applicant makes a request that complies with subsection (1) of this section, the local
 38 government shall review the applications for land use permits for the proposed industrial use by
 39 applying the standards and criteria that otherwise apply to the review and by using the procedures
 40 set forth for review of an expedited land division in ORS 197.365 [*and 197.370*].

41 **SECTION 33.** ORS 197.794 is amended to read:

42 197.794. (1) As used in this section, "railroad company" has the meaning given that term in ORS

44 (2) If a railroad-highway crossing provides or will provide the only access to land that is the
 45 subject of an application for a land use decision[,] **or** a limited land use decision [*or an expedited*

1 *land division*], the applicant must indicate that fact in the application submitted to the decision
2 maker.

3 (3) The decision maker shall provide notice to the Department of Transportation and the rail-
4 road company whenever the decision maker receives the information described under subsection (2)
5 of this section.

6 **SECTION 34.** ORS 197.796 is amended to read:

7 197.796. (1) An applicant [*for a land use decision, limited land use decision or expedited land di-*
8 *vision or for a permit*] under ORS 215.427 or 227.178 may accept a condition of approval imposed
9 under ORS 215.416 or 227.175 and file a challenge to the condition under this section. Acceptance
10 by an applicant [*for a land use decision, limited land use decision, expedited land division or permit*]
11 under ORS 215.427 or 227.178 of a condition of approval imposed under ORS 215.416 or 227.175 does
12 not constitute a waiver of the right to challenge the condition of approval. Acceptance of a condi-
13 tion may include but is not limited to paying a fee, performing an act or providing satisfactory evi-
14 dence of arrangements to pay the fee or to ensure compliance with the condition.

15 (2) Any action for damages under this section shall be filed in the circuit court of the county
16 in which the application was submitted within 180 days of the date of the decision.

18 plicant did not request a variance to the condition of approval or any other available form of re-
19 consideration of the challenged condition. However, an applicant shall comply with ORS 197.797 (1)
20 prior to appealing to the Land Use Board of Appeals or bringing an action for damages in circuit
21 court and must exhaust all local appeals provided in the local comprehensive plan and land use
22 regulations before proceeding under this section.

23 (b) In addition to the requirements of ORS 197.797 (5), at the commencement of the initial public
24 hearing, a statement shall be made to the applicant that the failure of the applicant to raise con-
25 stitutional or other issues relating to proposed conditions of approval with sufficient specificity to
26 allow the local government or its designee to respond to the issue precludes an action for damages
27 in circuit court.

28 (c) An applicant is not required to raise an issue under this subsection unless the condition of
29 approval is stated with sufficient specificity to enable the applicant to respond to the condition prior
30 to the close of the final local hearing.

31 (4) In any challenge to a condition of approval that is subject to the Takings Clause of the Fifth
32 Amendment to the United States Constitution, the local government shall have the burden of dem-

38 (6) This section applies to appeals by the applicant of a condition of approval and claims filed
39 in state court seeking damages for the unlawful imposition of conditions of approval [*in a land use*

 17 multifamily structure, or that requires a new multifamily structure to be designated for sale or rent
 18 as affordable housing.

19 (5) A regulation, provision or requirement adopted or imposed under subsection (4) of this sec-
 20 tion:

21 (a) May not require more than 20 percent of housing units within a multifamily structure to be
 22 sold or rented as affordable housing.

23 (b) May apply only to multifamily structures containing at least 20 housing units.

24 (c) Must provide developers the option to pay an in-lieu fee, in an amount determined by the city
 25 or county, in exchange for providing the requisite number of housing units within the multifamily
 26 structure to be sold or rented at below-market rates.

27 (d) Must require the city or county to offer a developer of multifamily structures, other than a
 28 developer that elects to pay an in-lieu fee pursuant to paragraph (c) of this subsection, at least one
 29 of the following incentives:

30 (A) Whole or partial fee waivers or reductions.

31 (B) Whole or partial waivers of system development charges or impact fees set by the city or
 32 county.

33 (C) Finance-based incentives.

34 (D) Full or partial exemption from ad valorem property taxes on the terms described in this
 35 subparagraph. For purposes of any statute granting a full or partial exemption from ad valorem
 36 property taxes that uses a definition of “low income” to mean income at or below 60 percent of the
 37 area median income and for which the multifamily structure is otherwise eligible, the city or county
 38 shall allow the multifamily structure of the developer to qualify using a definition of “low income”
 39 to mean income at or below 80 percent of the area median income.

40 (e) Does not apply to a CCRC, as defined in ORS 101.020, that executes and records a covenant
 41 with the applicable city or county in which the CCRC agrees to operate all units within its structure
 42 as a CCRC. Units within a CCRC that are offered or converted into residential units that are for
 43 sale or rent and are not subject to ORS chapter 101 must comply with regulations, provisions or
 44 requirements adopted by the city or county that are consistent with those applicable to a new
 45 multifamily structure under subsection (3) or (4) of this section.

1 (6) A regulation, provision or requirement adopted or imposed under subsection (4) of this sec-
 2 tion may offer developers one or more of the following incentives:

- 3 (a) Density adjustments.
- 4 (b) Expedited service for local permitting processes.
- 5 (c) Modification of height, floor area or other site-specific requirements.
- 6 (d) Other incentives as determined by the city or county.

7 (7) Subsection (4) of this section does not restrict the authority of a city or county to offer de-
 8 velopers voluntary incentives, including incentives to:

- 9 (a) Increase the number of affordable housing units in a development.
- 10 (b) Decrease the sale or rental price of affordable housing units in a development.
- 11 (c) Build affordable housing units that are affordable to households with incomes equal to or
 12 lower than 80 percent of the median family income for the county in which the housing is built.

13 (8)(a) A city or county that adopts or imposes a regulation, provision or requirement described
 14 in subsection (4) of this section may not apply the regulation, provision or requirement to any
 15 multifamily structure for which an application for a permit, as defined in ORS 215.402 or 227.160,
 16 has been submitted as provided in ORS 215.416 or 227.178 (3), or, if such a permit is not required,
 17 a building permit application has been submitted to the city or county prior to the effective date
 18 of the regulation, provision or requirement.

19 (b) If a multifamily structure described in paragraph (a) of this subsection has not been com-
 20 pleted within the period required by the permit issued by the city or county, the developer of the
 21 multifamily structure shall resubmit an application for a permit, as defined in ORS 215.402 or
 22 227.160, as provided in ORS 215.416 or 227.178 (3), or, if such a permit is not required, a building
 23 permit application under the regulation, provision or requirement adopted by the city or county
 24 under subsection (4) of this section.

25 (9)(a) A city or county that adopts or imposes a regulation, provision or requirement under
 26 subsection (4) of this section shall adopt and apply only clear and objective standards, conditions
 27 and procedures regulating the development of affordable housing units within its jurisdiction. The
 28 standards, conditions and procedures may not have the effect, either individually or cumulatively,
 29 of discouraging development of affordable housing units through unreasonable cost or delay.

30 (b) Paragraph (a) of this subsection does not apply to:

31 (A) An application or permit for residential development in an area identified in a formally
 32 adopted central city plan, or a regional center as defined by Metro, in a city with a population of
 33 500,000 or more.

34 (B) An application or permit for residential development in historic areas designated for pro-
 35 tection under a land use planning goal protecting historic areas.

36 (c) In addition to an approval process for affordable housing based on clear and objective stan-
 37 dards, conditions and procedures as provided in paragraph (a) of this subsection, a city or county
 38 may adopt and apply an alternative approval process for applications and permits for residential
 39 development based on approval criteria regulating, in whole or in part, appearance or aesthetics
 40 that are not clear and objective if:

41 (A) The developer retains the option of proceeding under the approval process that meets the
 42 requirements of paragraph (a) of this subsection;

43 (B) The approval criteria for the alternative approval process comply with applicable statewide
 44 land use planning goals and rules; and

45 (C) The approval criteria for the alternative approval process authorize a density at or above

1 the density level authorized in the zone under the approval process provided in paragraph (a) of this
 2 subsection.

3 (10) If a regulation, provision or requirement adopted or imposed by a city or county under
 4 subsection (4) of this section requires that a percentage of housing units in a new multifamily
 5 structure be designated as affordable housing, any incentives offered under subsection (5)(d) or (6)
 6 of this section shall be related in a manner determined by the city or county to the required per-
 7 centage of affordable housing units.

8 **SECTION 38.** ORS 197A.470 is amended to read:

9 197A.470. (1) As used in this section:

10 (a) “Affordable housing” means housing that is affordable to households with incomes equal to
 11 or less than 60 percent of the median family income for the county in which the development is built
 12 or for the state, whichever is greater, that is subject to an affordable housing covenant, as provided
 13 in ORS 456.270 to 456.295, that maintains the affordability for a period of not less than 60 years from
 14 the date of the certificate of occupancy.

15 (b) “Multifamily residential building” means a building in which three or more residential units
 16 each have space for eating, living and sleeping and permanent provisions for cooking and sanitation.

17 (2) *[Notwithstanding ORS 215.427 (1) or 227.178 (1),]* A city with a population greater than 5,000
 18 or a county with a population greater than 25,000 shall take final action on an application qualifying
 19 under subsection (3) of this section¹, *including resolution of all local appeals under ORS 215.422 or*
 20 *227.180,* within 100 days after the application is deemed complete **as provided in ORS 215.427 or**
 21 **227.178.**

22 (3) An application qualifies for final action within the timeline described in subsection (2) of this
 23 section if:

24 (a) The application is submitted to the city or the county under ORS 215.416 or 227.175;

25 (b) The application is for development of a multifamily residential building containing five or
 26 more residential units within the urban growth boundary; and

27 (c) At least 50 percent of the residential units included in the development will be sold or rented
 28 as affordable housing.

29 (4) A city or a county shall take final action within the time allowed under ORS 215.427 or
 30 227.178 on any application *[for a permit, limited land use decision or zone change]* that does not
 31 qualify for review and decision under subsection (3) of this section, including resolution of all ap-
 32 peals under ORS 215.422 or 227.180, as provided by ORS 215.427 and 215.435 or by ORS 227.178 and
 33 227.181.

34 (5) With respect to property within an urban growth boundary owned by a nonprofit corporation
 35 organized as a religious corporation, a local government:

36 (a) May apply only restrictions or conditions of approval to the development of affordable
 37 housing that are, notwithstanding ORS 197A.400 (2) or statewide land use planning goals relating
 38 to protections for historic areas:

39 (A) Clear and objective as described in ORS 197A.400 (1); or

40 (B) Discretionary standards related to health, safety, habitability or infrastructure.

41 (b) Shall approve the development of affordable housing on property not zoned for housing if:

42 (A) The property is not zoned for industrial uses; and

43 (B) The property is contiguous to property zoned to allow residential uses.

44 (6) Affordable housing allowed under subsection (5)(b) of this section may be subject only to the
 45 restrictions applicable to the contiguously zoned residential property as limited by subsection (5)(a)

1 of this section and without requiring that the property be rezoned for residential uses. If there is
 2 more than one contiguous residential property, the zoning of the property with the greatest density
 3 applies.

4 **SECTION 39.** ORS 215.402 is amended to read:

5 215.402. As used in ORS 215.402 to 215.438 and 215.700 to 215.780 unless the context requires
 6 otherwise:

7 (1) "Contested case" means a proceeding in which the legal rights, duties or privileges of spe-
 8 cific parties under general rules or policies provided under ORS 215.010 to 215.311, 215.317, 215.327,
 9 215.402 to 215.438 and 215.700 to 215.780, or any ordinance, rule or regulation adopted pursuant

 11 appear and be heard.

12 (2) "Hearing" means a quasi-judicial hearing, authorized or required by the ordinances and
 13 regulations of a county adopted pursuant to ORS 215.010 to 215.311, 215.317, 215.327, 215.402 to
 14 215.438 and 215.700 to 215.780:

 19 the governing body of a county under ORS 215.406.

20 (4) "Permit" means discretionary approval of a proposed development of land under ORS 215.010
 21 to 215.311, 215.317, 215.327 and 215.402 to 215.438 and 215.700 to 215.780 or county legislation or
 22 regulation adopted pursuant thereto. "Permit" does not include:

23 (a) A limited land use decision as defined in ORS 197.015;

24 (b) A decision which determines the appropriate zoning classification for a particular use by
 25 applying criteria or performance standards defining the uses permitted within the zone, and the de-
 26 termination applies only to land within an urban growth boundary;

27 (c) A decision which determines final engineering design, construction, operation, maintenance,
 28 repair or preservation of a transportation facility which is otherwise authorized by and consistent
 29 with the comprehensive plan and land use regulations; or

30 (d) An expedited land division, as described in ORS [197.360] **197.365**.

31 **SECTION 40.** ORS 215.416 is amended to read:

32 215.416. (1) When required or authorized by the ordinances, rules and regulations of a county,
 33 an owner of land may apply in writing to such persons as the governing body designates, for a
 34 permit, in the manner prescribed by the governing body. The governing body shall establish fees
 35 charged for processing permits at an amount no more than the actual or average cost of providing
 36 that service.

37 (2) The governing body shall establish a consolidated procedure by which an applicant may ap-
 38 ply at one time for all permits or zone changes needed for a development project. The consolidated
 39 procedure shall be subject to the time limitations set out in ORS 215.427. The consolidated proce-
 40 dure shall be available for use at the option of the applicant no later than the time of the first pe-
 41 riodic review of the comprehensive plan and land use regulations.

42 (3) Except as provided in subsection (11) of this section, the hearings officer shall hold at least
 43 one public hearing on the application.

44 (4)(a) A county may not approve an application if the proposed use of land is found to be in
 45 conflict with the comprehensive plan of the county and other applicable land use regulation or or-

1 dinance provisions. The approval may include such conditions as are authorized by statute or county
2 legislation.

3 (b)(A) A county may not deny an application for a housing development located within the urban
4 growth boundary if the development complies with clear and objective standards, including but not
5 limited to clear and objective design standards contained in the county comprehensive plan or land
6 use regulations.

7 (B) This paragraph does not apply to:

8 (i) Applications or permits for residential development in areas described in ORS 197A.400 (2);
9 or

10 (ii) Applications or permits reviewed under an alternative approval process adopted under ORS
11 197A.400 (3).

12 (c) A county may not condition an application for a housing development on a reduction in
13 density if:

14 (A) The density applied for is at or below the authorized density level under the local land use
15 regulations; and

16 (B) At least 75 percent of the floor area applied for is reserved for housing.

17 (d) A county may not condition an application for a housing development on a reduction in
18 height if:

19 (A) The height applied for is at or below the authorized height level under the local land use
20 regulations;

21 (B) At least 75 percent of the floor area applied for is reserved for housing; and

22 (C) Reducing the height has the effect of reducing the authorized density level under local land
23 use regulations.

24 (e) Notwithstanding paragraphs (c) and (d) of this subsection, a county may condition an appli-
25 cation for a housing development on a reduction in density or height only if the reduction is nec-
26 essary to resolve a health, safety or habitability issue or to comply with a protective measure
27 adopted pursuant to a statewide land use planning goal. Notwithstanding ORS 197.350, the county
28 must adopt findings supported by substantial evidence demonstrating the necessity of the reduction.

29 (f) As used in this subsection:

30 (A) "Authorized density level" means the maximum number of lots or dwelling units or the
31 maximum floor area ratio that is permitted under local land use regulations.

32 (B) "Authorized height level" means the maximum height of a structure that is permitted under
33 local land use regulations.

34 (C) "Habitability" means being in compliance with the applicable provisions of the state building
35 code under ORS chapter 455 and the rules adopted thereunder.

36 (5) Hearings under this section shall be held only after notice to the applicant and also notice
37 to other persons as otherwise provided by law and shall otherwise be conducted in conformance
38 with the provisions of ORS 197.797.

39 (6) Notice of a public hearing on an application submitted under this section shall be provided
40 to the owner of an airport defined by the Oregon Department of Aviation as a "public use airport"
41 if:

42 (a) The name and address of the airport owner has been provided by the Oregon Department
43 of Aviation to the county planning authority; and

44 (b) The property subject to the land use hearing is:

45 (A) Within 5,000 feet of the side or end of a runway of an airport determined by the Oregon

1 Department of Aviation to be a “visual airport”; or

2 (B) Within 10,000 feet of the side or end of the runway of an airport determined by the Oregon
3 Department of Aviation to be an “instrument airport.”

4 (7) Notwithstanding the provisions of subsection (6) of this section, notice of a land use hearing
5 need not be provided as set forth in subsection (6) of this section if the zoning permit would only
6 allow a structure less than 35 feet in height and the property is located outside the runway “ap-
7 proach surface” as defined by the Oregon Department of Aviation.

8 (8)(a) Approval or denial of a permit application [*shall*] **must** be based on standards and criteria
9 [*which shall be*] **that are** set forth in the zoning ordinance or other appropriate ordinance or regu-
10 lation of the county and which shall relate approval or denial of a permit application to the zoning
11 ordinance and comprehensive plan for the area in which the proposed use of land would occur and
12 to the zoning ordinance and comprehensive plan for the county as a whole.

13 (b) When an ordinance establishing approval standards is required under ORS [*197A.200 and*]
14 197A.400 to provide only clear and objective standards, the standards must be clear and objective
15 on the face of the ordinance.

16 (9) Approval or denial of a permit [*or expedited land division shall*] **must** be based upon and
17 accompanied by a brief statement that explains the criteria and standards considered relevant to the
18 decision, states the facts relied upon in rendering the decision and explains the justification for the
19 decision based on the criteria, standards and facts set forth.

20 (10) Written notice of the approval or denial [*shall*] **must** be given to all parties to the pro-
21 ceeding.

22 (11)(a)(A) The hearings officer or such other person as the governing body designates may ap-
23 prove or deny an application for a permit without a hearing if the hearings officer or other desig-
24 nated person gives notice of the decision and provides an opportunity for any person who is
25 adversely affected or aggrieved, or who is entitled to notice under paragraph (c) of this subsection,
26 to file an appeal.

27 (B) Written notice of the decision shall be mailed to those persons described in paragraph (c)
28 of this subsection.

29 (C) Notice under this subsection shall comply with ORS 197.797 (3)(a), (c), (g) and (h) and shall
30 describe the nature of the decision. In addition, the notice shall state that any person who is ad-
31 versely affected or aggrieved or who is entitled to written notice under paragraph (c) of this sub-
32 section may appeal the decision by filing a written appeal in the manner and within the time period
33 provided in the county’s land use regulations. A county may not establish an appeal period that is
34 less than 12 days from the date the written notice of decision required by this subsection was
35 mailed. The notice shall state that the decision will not become final until the period for filing a
36 local appeal has expired. The notice also shall state that a person who is mailed written notice of
37 the decision cannot appeal the decision directly to the Land Use Board of Appeals under ORS
38 197.830.

39 (D) An appeal from a hearings officer’s decision made without hearing under this subsection
40 shall be to the planning commission or governing body of the county. An appeal from such other
41 person as the governing body designates shall be to a hearings officer, the planning commission or
42 the governing body. In either case, the appeal shall be to a de novo hearing.

43 (E) The de novo hearing required by subparagraph (D) of this paragraph shall be the initial
44 evidentiary hearing required under ORS 197.797 as the basis for an appeal to the Land Use Board
45 of Appeals. At the de novo hearing:

1 (i) The applicant and other parties shall have the same opportunity to present testimony, argu-
 2 ments and evidence as they would have had in a hearing under subsection (3) of this section before
 3 the decision;

4 (ii) The presentation of testimony, arguments and evidence shall not be limited to issues raised
 5 in a notice of appeal; and

6 (iii) The decision maker shall consider all relevant testimony, arguments and evidence that are
 7 accepted at the hearing.

8 (b) If a local government provides only a notice of the opportunity to request a hearing, the
 9 local government may charge a fee for the initial hearing. The maximum fee for an initial hearing
 10 shall be the cost to the local government of preparing for and conducting the appeal, or \$250,
 11 whichever is less. If an appellant prevails at the hearing or upon subsequent appeal, the fee for the
 12 initial hearing shall be refunded. The fee allowed in this paragraph shall not apply to appeals made
 13 by neighborhood or community organizations recognized by the governing body and whose bounda-
 14 ries include the site.

15 (c)(A) Notice of a decision under paragraph (a) of this subsection shall be provided to the ap-
 16 plicant and to the owners of record of property on the most recent property tax assessment roll
 17 where such property is located:

18 (i) Within 100 feet of the property that is the subject of the notice when the subject property
 19 is wholly or in part within an urban growth boundary;

20 (ii) Within 250 feet of the property that is the subject of the notice when the subject property
 21 is outside an urban growth boundary and not within a farm or forest zone; or

22 (iii) Within 750 feet of the property that is the subject of the notice when the subject property
 23 is within a farm or forest zone.

24 (B) Notice shall also be provided to any neighborhood or community organization recognized by
 25 the governing body and whose boundaries include the site.

26 (C) At the discretion of the applicant, the local government also shall provide notice to the
 27 Department of Land Conservation and Development.

28 (12) A decision described in ORS 215.402 (4)(b) shall:

29 (a) Be entered in a registry available to the public setting forth:

30 (A) The street address or other easily understood geographic reference to the subject property;

31 (B) The date of the decision; and

32 (C) A description of the decision made.

33 (b) Be subject to the jurisdiction of the Land Use Board of Appeals in the same manner as a
 34 limited land use decision.

35 (c) Be subject to the appeal period described in ORS 197.830 (5)(b).

36 (13) At the option of the applicant, the local government shall provide notice of the decision
 37 described in ORS 215.402 (4)(b) in the manner required by ORS 197.797 (2), in which case an appeal
 38 to the board shall be filed within 21 days of the decision. The notice shall include an explanation
 39 of appeal rights.

40 (14) Notwithstanding the requirements of this section, a limited land use decision shall be sub-
 41 ject to the requirements set forth in ORS 197.195 and 197.828.

42 **SECTION 41.** ORS 215.429 is amended to read:

43 215.429. (1) [*Except when an applicant requests an extension under ORS 215.427,*] If the governing
 44 body of the county or its designee does not take final action on an application [*for a permit, limited*
 45 *land use decision or zone change within 120 days or 150 days, as appropriate, after the application is*

1 *deemed complete,]* **within the period allowed under ORS 215.427**, the applicant may file a petition
 2 for a writ of mandamus under ORS 34.130 in the circuit court of the county where the application
 3 was submitted to compel the governing body or its designee to issue the approval.

4 (2) The governing body shall retain jurisdiction to make a land use decision on the application
 5 until a petition for a writ of mandamus is filed. Upon filing a petition under ORS 34.130, jurisdiction
 6 for all decisions regarding the application, including settlement, shall be with the circuit court.

7 (3) A person who files a petition for a writ of mandamus under this section shall provide written
 8 notice of the filing to all persons who would be entitled to notice under ORS 197.797 and to any
 9 person who participated orally or in writing in any evidentiary hearing on the application held prior
 10 to the filing of the petition. The notice shall be mailed or hand delivered on the same day the peti-
 11 tion is filed.

12 (4) If the governing body does not take final action on an application within [*120 days or 150*
 13 *days, as appropriate, of the date the application is deemed complete,]* **the period allowed under ORS**
 14 **215.427**, the applicant may elect to proceed with the application according to the applicable pro-
 15 visions of the county comprehensive plan and land use regulations or to file a petition for a writ
 16 of mandamus under this section. If the applicant elects to proceed according to the local plan and
 17 regulations, the applicant may not file a petition for a writ of mandamus within 14 days after the
 18 governing body makes a preliminary decision, provided a final written decision is issued within 14
 19 days of the preliminary decision.

20 (5) The court shall issue a peremptory writ unless the governing body or any intervenor shows
 21 that the approval would violate a substantive provision of the county comprehensive plan or land
 22 use regulations as those terms are defined in ORS 197.015. The writ may specify conditions of ap-
 23 proval that would otherwise be allowed by the county comprehensive plan or land use regulations.

24 **SECTION 42.** ORS 223.299 is amended to read:

25 223.299. As used in ORS 223.297 to 223.316:

26 (1)(a) “Capital improvement” means facilities or assets used for the following:

- 27 (A) Water supply, treatment and distribution;
- 28 (B) Waste water collection, transmission, treatment and disposal;
- 29 (C) Drainage and flood control;
- 30 (D) Transportation; or

32 (b) “Capital improvement” does not include costs of the operation or routine maintenance of
 33 capital improvements.

34 (2) “Improvement fee” means a fee for costs associated with capital improvements to be con-
 35 structed.

36 (3) “Reimbursement fee” means a fee for costs associated with capital improvements already
 37 constructed, or under construction when the fee is established, for which the local government de-
 38 termines that capacity exists.

39 (4)(a) “System development charge” means a reimbursement fee, an improvement fee or a com-
 40 bination thereof assessed or collected at the time of increased usage of a capital improvement or
 41 issuance of a development permit, building permit or connection to the capital improvement. “System
 42 development charge” includes that portion of a sewer or water system connection charge that is
 43 greater than the amount necessary to reimburse the local government for its average cost of in-
 44 specting and installing connections with water and sewer facilities.

45 (b) “System development charge” does not include any fees assessed or collected as part of a

1 local improvement district or a charge in lieu of a local improvement district assessment, or the cost
 2 of complying with requirements or conditions imposed upon a land use decision[, *expedited land di-*
 3 *vision*] or limited land use decision.

4 **SECTION 43.** ORS 227.160 is amended to read:

5 227.160. As used in ORS 227.160 to 227.186:

6 (1) "Hearings officer" means a planning and zoning hearings officer appointed or designated by
 7 a city council under ORS 227.165.

8 (2) "Permit" means discretionary approval of a proposed development of land, under ORS 227.215

11 (b) A decision which determines the appropriate zoning classification for a particular use by
 12 applying criteria or performance standards defining the uses permitted within the zone, and the de-
 13 termination applies only to land within an urban growth boundary;

14 (c) A decision which determines final engineering design, construction, operation, maintenance,
 15 repair or preservation of a transportation facility which is otherwise authorized by and consistent
 16 with the comprehensive plan and land use regulations; or

17 (d) An expedited land division, as described in ORS [197.360] **197.365**.

18 **SECTION 44.** ORS 227.173 is amended to read:
