 36 personal representative of the individual may not be denied access to written accounts concerning
 37 the individual because of inability to pay.

38 (11) A written account referred to in subsection (2) of this section may not be used to initiate
 39 or substantiate any criminal, civil, administrative, legislative or other proceedings conducted by
 40 federal, state or local authorities against the individual or to conduct any investigations of the in-
 41 dividual. If the individual, as a party to an action, suit or other judicial proceeding, voluntarily
 42 produces evidence regarding an issue to which a written account referred to in subsection (2) of this
 43 section would be relevant, the contents of that written account may be disclosed for use in the
 44 proceeding.

45 (12) Information obtained in the course of diagnosis, evaluation or treatment of an individual

1 that, in the professional judgment of the health care services provider, indicates a clear and imme-
 2 diate danger to others or to society may be reported to the appropriate authority. A decision not

 4 Nothing in this subsection may be construed to alter the provisions of ORS 124.088, 146.750, 146.760,
 5 419B.010, 419B.015, 419B.020, 419B.025, 419B.030, 419B.035, 419B.040, 419B.045, 430.738 or 441.674.

6 (13) The prohibitions of this section apply to written accounts concerning any individual who
 7 has been treated by any health care services provider irrespective of whether or when the individual
 8 ceases to receive treatment.

9 (14) Persons other than the individual or the personal representative of the individual who are
 10 granted access under this section to the contents of a written account referred to in subsection (2)
 11 of this section may not disclose the contents of the written account to any other person except in
 12 accordance with the provisions of this section.

13 (15) Nothing in this section prevents the Department of Human Services or the Oregon Health
 14 Authority from disclosing the contents of written accounts in its possession to individuals or agen-
 15 cies with whom children in its custody are placed.

16 (16) The system described in ORS 192.517 (1) shall have access to records, as defined in ORS
 17 192.515, as provided in ORS 192.517.

18 (17)(a) Except as provided in paragraph (b) of this subsection, a health care services provider
 19 must obtain an authorization from an individual or a personal representative of the individual to
 20 disclose psychotherapy notes.

21 (b) A health care services provider may use or disclose psychotherapy notes without obtaining
 22 an authorization from the individual or a personal representative of the individual to carry out the

30 (c) An authorization for the disclosure of psychotherapy notes may not be combined with an

 32 combined with another authorization for a disclosure of psychotherapy notes.

33 (18) A health care services provider may disclose information contained in a written account if
 34 the conditions of ORS 192.567 (1) to (5) or 192.577 are met.
