

House Bill 3153

Sponsored by Representative CATE (Presession filed.)

SUMMARY

The following summary is not prepared by the sponsors of the measure and is not a part of the body thereof subject to consideration by the Legislative Assembly. It is an editor's brief statement of the essential features of the measure **as introduced**. The statement includes a measure digest written in compliance with applicable readability standards.

Digest: The Act allows a person to use dogs to hunt or chase cougars. The Act tells an agency to assess how many livestock cougars prey on and address the issue in certain ways. (Flesch Readability Score: 72.1).

Authorizes a person to use dogs to hunt or pursue cougars on private property owned by the person or with the consent of the property owner.

Instructs the State Fish and Wildlife Commission to assess cougar depredation of livestock, establish a threshold for chronic depredation of livestock and reduce cougar populations as needed to address chronic depredation.
