CHAPTER .....

AN ACT

Relating to public record fees; amending ORS 192.324.

**Be It Enacted by the People of the State of Oregon:**

**SECTION 1.** ORS 192.324 is amended to read:

192.324. (1) A public body that is the custodian of any public record that a person has a right to inspect shall give the person, upon receipt of a written request:

- (a) A copy of the public record if the public record is of a nature permitting copying; or
- (b) A reasonable opportunity to inspect or copy the public record.

(2) If an individual who is identified in a public body's procedure described in subsection (7)(a) of this section receives a written request to inspect or receive a copy of a public record, the public body shall within five business days after receiving the request acknowledge receipt of the request or complete the public body's response to the request. An acknowledgment under this subsection must:

- (a) Confirm that the public body is the custodian of the requested record;
- (b) Inform the requester that the public body is not the custodian of the requested record; or
- (c) Notify the requester that the public body is uncertain whether the public body is the custodian of the requested record.

(3) If the public record is maintained in a machine readable or electronic form, the public body shall provide a copy of the public record in the form requested, if available. If the public record is not available in the form requested, the public body shall make the public record available in the form in which the public body maintains the public record.

(4)(a) The public body may establish fees reasonably calculated to reimburse the public body for the public body's actual cost of making public records available, including costs for summarizing, compiling or tailoring the public records, either in organization or media, to meet the request.

(b) The public body may include in a fee established under paragraph (a) of this subsection the cost of time spent by an attorney for the public body in reviewing the public records, redacting material from the public records or segregating the public records into exempt and nonexempt records. The public body may not include in a fee established under paragraph (a) of this subsection the cost of time spent by an attorney for the public body in determining the application of the provisions of ORS 192.311 to 192.478.

(c) The public body may not establish a fee greater than \$25 under this section unless the public body first provides the requester with a written notification of the estimated amount of the fee and the requester confirms that the requester wants the public body to proceed with making the public record available.

(d) Notwithstanding paragraphs (a) to (c) of this subsection, when the public records are those filed with:

(A) The Secretary of State under ORS chapter 79 or ORS 80.100 to 80.130, the fees for furnishing copies, summaries or compilations of the public records are the fees established by the Secretary of State by rule under ORS chapter 79 or ORS 80.100 to 80.130.

(B) **A county clerk, the fees for copies of records are the fees established under ORS 205.320.**

(5) The custodian of a public record may furnish copies without charge or at a substantially reduced fee if the custodian determines that the waiver or reduction of fees is in the public interest because making the record available primarily benefits the general public.

(6) A requester who believes that there has been an unreasonable denial of a fee waiver or fee reduction may petition the Attorney General or the district attorney in the same manner as a requester who petitions when inspection of a public record is denied under ORS 192.311 to 192.478. The Attorney General, the district attorney and the court have the same authority in instances when a fee waiver or reduction is denied as when inspection of a public record is denied.

(7) A public body shall make available to the public a written procedure for making public records requests that includes:

(a) The name of one or more individuals within the public body to whom public records requests may be sent, with addresses; and

(b) The amounts of and the manner of calculating fees that the public body charges for responding to requests for public records.

(8) This section does not apply to signatures of individuals submitted under ORS chapter 247 for purposes of registering to vote as provided in ORS 247.973.
