2 Relating to school meals; creating new provisions; amending ORS 327.531, 327.535 and 327.545; and  
3 declaring an emergency.

4 Whereas during the COVID-19 pandemic, the provision of school meals at no cost was widely  
5 used by students and supported by parents, teachers, administrators and school nutrition profes-  
6 sionals; and

7 Whereas school meals at no cost in this state resulted in improved academic and social out-  
8 comes, attendance and health outcomes while reducing food insecurity and behavioral discipline  
9 rates; and

10 Whereas more than 98 percent of schools in this state that are eligible to serve school meals  
11 at no cost have opted to do so; and

12 Whereas compared to the free and reduced price meal model, school meals at no cost reduce  
13 administrative costs and overhead and result in investing in higher quality ingredients, preparation  
14 and service; and

15 Whereas Oregon currently reimburses many participating schools through the Community El-  
16 igibility Provision Incentive Reimbursement Program at only 90 percent of the federal reimburse-  
17 ment rate, resulting in reduced meal quality and lower worker pay; and

18 Whereas the most effective strategies to reduce food waste are to serve higher quality meals  
19 that students want to eat and to ensure that students have ample time to eat the food they are  
20 served; and

2 Whereas additional meals being served can result in longer meal service times, less seat time  
3 for students and more food waste; and

4 Whereas ensuring that schools have the equipment to implement universal meal programs en-  
5 sures that students are served quickly and have time to eat and reduces food waste; and

6 Whereas nonprofit school meal programs have limited grant options for equipment improvements  
7 that would result in more scratch cooking, quicker meal service, better meals and longer seat time;
