807.240. The Department of Transportation shall provide for issuance of hardship driver permits in a manner consistent with this section. A hardship driver permit grants the driving privileges provided in this section or under the permit. Except as otherwise provided in this section, a hardship driver permit is subject to the fees, provisions, conditions, prohibitions and penalties applicable to a license. The following apply to a hardship driver permit:

(1) The department may [*only*] issue a permit to a person:

(a) Whose driving privileges under the vehicle code have been suspended, or revoked under ORS 809.600 as a habitual offender; **or**

(B) Who is required to provide proof of treatment to the department under ORS 813.022; and

(C) Who is required by law to install and use an ignition interlock device on any vehicle the person operates.

(2) Except as provided in this section and ORS 813.520, the department may reinstate the privilege to operate a motor vehicle of any person whose license to operate a motor vehicle has been suspended, or revoked under ORS 809.600 as a habitual offender, by issuing the person a hardship permit.

(3) To qualify for a hardship permit, a person must do all of the following:

(a) The person must submit to the department an application for the permit that demonstrates the person's need for the permit.

(b) The person must present satisfactory evidence, as determined by the department by rule:

(A) That the person must operate a motor vehicle as a requisite of the person's occupation or

1 employment;

10 ment program; or

11 (F) That the person must operate a motor vehicle to provide necessary services to the person
12 or to a member of the person's family. The department shall determine by rule what constitutes
13 necessary services for purposes of this subparagraph. The rule shall include as necessary services,
14 but need not be limited to, grocery shopping, driving the person or the person's children to school,
15 driving to medical appointments and caring for elderly family members.

16 (c) If the person is applying for a permit because the person or a member of the person's im-
17 mediate family requires medical treatment on a regular basis, the person must present, in addition
18 to any evidence required by the department under paragraph (b) of this subsection, a statement

25 (f) The person must submit any other information the department may require for purposes of

28 plicable requirements under ORS 813.520, the department may issue the person a hardship permit,
29 valid for the duration of the suspension or revocation or for a shorter period of time established by
30 the department unless sooner suspended or revoked under this section. If the department issues the
31 permit for a period shorter than the suspension or revocation period, renewal of the permit shall

37 811.175 or 811.182.

38 (5) The department, upon receiving satisfactory evidence of any violation of the limitations of
39 a permit issued under this section, may suspend or revoke the hardship permit.

40 (6) The fee charged for application or issuance of a hardship driver permit is the hardship driver
41 permit application fee under ORS 807.370. The department may not refund the fee if the application
42 is denied or if the driver permit is suspended or revoked. The fee upon renewal of the driver permit
43 is the same fee as that charged for renewal of a license. The application fee charged under this
44 subsection is in addition to any fee charged for reinstatement of driving privileges under ORS
45 807.370.

1 (7) The department may issue a permit granting the same driving privileges as those suspended
2 or revoked or may issue a permit granting fewer driving privileges, as the department determines
3 necessary to assure safe operation of motor vehicles by the permit holder.

4 (8) The department may not issue a hardship permit to a person:

11 809.428 (2)(b) or (c);

24 (4) Notwithstanding ORS 803.400, when registration plates are transferred from one vehicle to
25 another vehicle owned by the same person, the registration period represented by the plates also
26 transfers with the plates. When registration plates are transferred from one vehicle to another ve-

29 the plates were removed.

30 (5) The owner of a registered vehicle to which a plate is assigned may replace a registration
31 plate. The following apply to this subsection:

32 (a) To replace a plate under this subsection, the owner must apply to the department for re-

34 established under ORS 803.575.

35 (b) The department, in lieu of replacement, may issue duplicate plates for the same fee as
36 charged for replacements.

38 (d) The replaced plates may not be considered customized plates when they are replaced, if:

39 (A) The original plates were from plates currently issued;

40 (B) The original plates were not customized plates; and

41 (C) The replacement plates are a duplicate of the original plates.

42 (e) When a vehicle is assigned a pair of plates and the owner wishes to replace a single plate,
43 the department may replace a single plate rather than replace both plates.

44 (6) A county may replace a registration plate that is from a specially designed government series
45 with a registration plate that is from a regular series. The following apply to this subsection:

1 (a) To replace a plate under this subsection, the county must apply to the department for re-

6 is totaled [*or substantially altered*], a person may apply under subsection (2) of this section to
7 transfer the registration plates to another vehicle.

8 (8) Subject to subsections (2) and (4) of this section, after the department authorizes the use of
9 special interest plates under ORS 805.210, a person may apply to transfer the plates to either:

11 interest; or

12 (b) A vehicle approved by the department as a vehicle of special interest at the time of appli-

14 (9) If a person described in subsection (8) of this section provides the department with only one
15 special interest registration plate for transfer and the department's vehicle records show the special
16 interest registration plate belongs to a vehicle record with no owner matching an applicant, the
17 applicant shall provide proof, as determined by the department by rule, that the plate is no longer
18 used on the vehicle it is currently showing being registered to in the department's vehicle records.

19 **SECTION 35.** ORS 819.030 is amended to read:

20 819.030. The Department of Transportation shall comply with the following procedures upon re-
21 ceiving a certificate of title or other notice in accordance with the provisions of ORS 819.010,
22 819.012 or 819.014:

23 (1) If the department is satisfied that the vehicle is wrecked, dismantled or disassembled, the
24 department shall cancel and retire the registration and title of the vehicle. Except for issuance of
25 a salvage title, the department may not register or title the vehicle again unless:

26 (a) The department is satisfied that the original title certificate, if any, was surrendered in error
27 or that notice was submitted in error and the record canceled in error; or

28 (b) The vehicle is registered or titled as an assembled vehicle, a reconstructed vehicle or a
29 replica.

30 (2) If the department is satisfied that the vehicle is wrecked, dismantled or disassembled, the

36 (4) If a vehicle is recovered after a theft and the theft is the reason that the vehicle was con-
37 sidered a totaled vehicle or the department issues a branded title for a totaled [*or substantially al-*
38 *tered*] vehicle, a person may apply with the department to keep the same registration plates and the
39 remaining registration period represented by the plates with that vehicle. The department may al-
40 low the owner to keep the registration plates if the plates are legible and capable of being used for
41 identification purposes.

42 (5) A person may apply with the department to transfer plates from a vehicle for which the de-
43 partment previously received a totaled [*or substantially altered*] notification. A plate transfer request
44 must be in accordance with the provisions of ORS 803.530.

45 (6) The owner of a vehicle whose title and registration have been canceled and retired due to

1 the department being notified it is totaled, wrecked, dismantled[,] **or** disassembled [*or substantially*
2 *altered*] is entitled to an administrative review to determine whether the notification was correct.

3 **SECTION 36.** ORS 822.070 is amended to read:

30 does not make future responsibility filings as required by that section.

31 (4) A person convicted for violation of this section must file with the department, and thereafter
32 maintain for a period of [*three years*] **one year**, proof of financial responsibility that complies with
33 ORS 806.060. Failure to comply with this subsection is subject to ORS 809.415.

34 (5) The offense described in this section, driving uninsured, is a Class B traffic violation.

35 **SECTION 44.** ORS 809.417 is amended to read:

36 809.417. (1)(a) The Department of Transportation shall suspend the driving privileges of a person
37 who fails to file an accident report required under ORS 811.725 [*or 811.730*].

38 (b) A suspension under this subsection shall continue until the person files the required report
39 or for five years from the date of suspension, whichever is sooner.

40 [*(2) The department shall suspend the driving privileges of any person for a period of time required*
41 *by this subsection if the person is involved in a motor vehicle accident at any time when the department*
42 *determines the person has been operating a vehicle in violation of ORS 806.010. A suspension under*
43 *this subsection shall be for a period of one year except that the department shall not reinstate any*
44 *driving privileges to the person until the person complies with future responsibility filing*
45 *requirements.*]

1 **(2)(a) If the department determines the person has been operating a vehicle in violation**
2 **of ORS 806.010 and the person fails to make a financial responsibility filing with the depart-**
3 **ment within 30 days after the date of the accident, the department shall suspend the person's**
4 **driving privileges.**

5 **(b) A suspension under this subsection continues until the person complies with future**
6 **financial responsibility filing requirements or until the filing requirement terminates,**
7 **whichever is sooner.**

8 (3)(a) The department may suspend the driving privileges of a person who, while operating a
9 motor vehicle, causes or contributes to an accident resulting in death to any other person if the
10 department has reason to believe that the person's incompetence, recklessness, criminal negligence
11 or unlawful operation of the vehicle caused or contributed to the accident.

12 (b) A suspension under this subsection shall continue for a period determined by the department
13 and shall be subject to any conditions the department determines to be necessary.

14 (c) The department may impose an immediate suspension of driving privileges of any person
15 described in paragraph (a) of this subsection without hearing and without receiving a record of the
16 conviction of the person of a crime if the department has reason to believe that the person may
17 endanger people or property if the person's driving privileges are not immediately suspended. A
18 suspension under this paragraph is subject to a post-imposition hearing under ORS 809.440.

19 **SECTION 45.** ORS 806.245 is amended to read:

20 806.245. A termination of the requirement to maintain a future responsibility filing does not re-
21 move a person's responsibility to comply with financial responsibility requirements. The Department
22 of Transportation shall terminate requirements for a future responsibility filing when any of the
23 following occurs:

24 (1) The person on whose behalf the filing was made dies.

25 (2) More than **one year has passed from the date the filing was required under ORS 806.200**
26 **or 806.230 or more than** three years have passed from the date the filing was required.

27 (3) A person on whose behalf the filing was made requests termination and either:

28 (a) The person was required to file because of an error committed by the department; or

29 (b) The person was required to file because of an error committed by an insurance company in
30 notifying the department regarding the correctness of proof of compliance with financial responsi-
31 bility requirements provided under ORS 806.150.

32 (4) A person who was required to file under ORS 806.150 requests termination and the depart-
33 ment determines either:

34 (a) That the person was in fact in compliance with financial responsibility requirements as of
35 the date specified by the department by rule under ORS 806.150; or

36 (b) That the person reasonably and in good faith believed that the person was in compliance
37 with financial responsibility requirements on the date specified by the department by rule under
38 ORS 806.150.

39 (5) A person who was required to file because of failure to prove under ORS 806.210 that the
40 person was in compliance with financial responsibility requirements requests termination and the
41 department determines either:

42 (a) That the person was in fact in compliance with financial responsibility requirements at the
43 time of the accident; or

44 (b) That the person reasonably and in good faith believed that the person was in compliance
45 with financial responsibility requirements at the time of the accident.

1 (6) A person's hardship permit expires and the filing was required only for issuance of the
2 hardship permit under ORS 807.240.

4 **INSURANCE**

5
6 **SECTION 46. ORS 806.220 is repealed.**

7 **SECTION 47.** ORS 806.240 is amended to read:

8 806.240. Future responsibility filings required by ORS 806.200[, 806.220] or 806.230 or by any
9 other law of this state are subject to all of the following:

10 (1) Except as provided in subsection (3) of this section, the person required to make the filing
11 must file with the Department of Transportation, or have filed with the department for the benefit
12 of the person, proof of compliance that meets the requirements of this section and must maintain the
13 proof of compliance as required under ORS 806.245. The filing is made on the date it is received by
14 the department if it is received during regular business hours.

15 (2) The proof of compliance filed under subsection (1) of this section must be:

16 (a) A certificate or certificates of insurance that meet the requirements under ORS 806.270; or

17 (b) A valid certificate of self-insurance issued by the department under ORS 806.130.

18 (3) The owner of a motor vehicle may make a future responsibility filing under this section on
19 behalf of the owner's employee or a member of the owner's immediate family or household in lieu
20 of the filing being made by the person. Filing under this subsection permits the person on whose
21 behalf the filing is made to operate only a motor vehicle covered by the proof of compliance given
22 in the filing. The department shall endorse restrictions, as appropriate, on any license or driver
23 permit the person holds as the department determines necessary to limit the person's ability to op-
24 erate vehicles consistent with this subsection.

25 (4) Whenever proof of compliance filed under this section no longer meets the requirements of
26 this section, the department shall require the furnishing of other proof of compliance for the future
27 responsibility filing. If other proof of compliance is not furnished, the department shall suspend the
28 driving privileges of the person as provided under ORS 809.415.

29

25 was theft and the vehicle has been recovered.

26 (b) Any other information concerning the registration of vehicles that the department considers
27 convenient or appropriate.

28 (4) The department shall maintain separate records for the regulation of vehicle dealers. The

5 (c) The nonemployment driving record shall include the person's:

6 (A) Motor vehicle accidents that the person is required to report under ORS 811.720, other than
7 the motor vehicle accidents that are included on the person's employment driving record;

8 (B) Suspensions, cancellations and revocations of **driver** licenses, **driver** permits, [*and*] driving

23 (f) When a suspension of a driver permit, driver license or other driving privilege is placed on
24 the driving record under ORS 809.280 for failure to appear in court on a traffic crime, the depart-
25 ment shall note on the record that the suspension was for failure to appear in court and shall also
26 note the offense charged against the person on which the person failed to appear.

27 (g) The Department of Transportation, in consultation with the Department of State Police, shall
28 devise and implement a method of noting suspensions and revocations of driving privileges on the
29 record in such a way that police agencies can determine directly from the record what class of of-
30 fense, as provided by law, is committed by a person who drives in violation of the suspension or
31 revocation. If the Department of Transportation and the Department of State Police devise a mutu-
32 ally agreeable alternative method of informing police agencies of the nature of a suspension or re-
33 vocation and the consequences of its violation, the implementation of that method shall satisfy the
34 duty of the Department of Transportation under this paragraph.

35 (10) The department shall maintain accident reports filed with the department under ORS

4 **SECTION 49.** ORS 802.220 is amended to read:

5 802.220. (1) Except as otherwise provided in this subsection and ORS 802.177, the records the
6 Department of Transportation maintains under ORS 802.200 on vehicles are public records. The re-
7 cords of vehicles registered under ORS 805.060 are not public records and are exempt from public
8 inspection as provided under ORS 181A.220 and are for the confidential use of criminal justice
9 agencies described under ORS 181A.010. The department may charge the fee established under ORS
10 802.230 for furnishing information under this section concerning a vehicle or its owner.

11 (2) The department may charge the fee established under ORS 802.230 for furnishing to the

17 (4) The department shall upon request furnish any person certified abstracts of the employment
18 driving record and the nonemployment driving record of any person whose driving records are
19 maintained under ORS 802.200. If an abstract of the employment driving record is not specifically
20 requested, the department shall only furnish an abstract of the nonemployment driving record.
21 Nothing in this subsection authorizes the release of personal information as defined in ORS 802.175.
22 The department shall collect the fee established for abstracts of driving records under ORS 802.230.
23 A certified abstract issued under this section shall not contain any of the following, unless the ab-
24 stract is being requested under ORS 746.265 (3):

25 (a) Any accident or conviction for violation of motor vehicles laws that occurred more than
26 three years immediately preceding a request for abstract.

27 (b) Any suspension ordered under ORS 809.220 after the department has received notice to
28 reinstate a person's suspended driving privileges under ORS 809.220.

29 (c) Any diversion agreement under ORS 813.220 entered into more than three years immediately
30 preceding a request for the abstract.

31 (5) Except as otherwise provided in this subsection, accident reports filed with the department
32 under ORS 811.725, 811.730 or 811.735 shall be without prejudice to the individual filing the report
33 and shall be for the confidential use of state administrative and enforcement agencies. The depart-
34 ment may use the confidential accident reports to provide the following information to the persons
35 described:

36 (a) Upon request, the department shall disclose the following information to any party involved
37 in the accident or to their personal representative or any member of the family of a party involved
38 in the accident:

39 (A) The identity of the owner, driver, occupants and the registration number of a vehicle in-

41 (B) The names of any companies insuring the owner or driver of a vehicle involved in the acci-
42 dent; and

43 (C) The names of any witnesses to the accident.

44 (b) The department shall furnish a certificate showing that a specified accident report has or
45 has not been made to the department upon demand of any person who has or claims to have made

1 such a report or upon demand of a court.

2 **(6) The department may furnish a driving record maintained by the department under**
 3 **ORS 802.200 to another jurisdiction upon request of the other jurisdiction.**

4 [(6)] (7) The department shall tabulate and may analyze all accident reports to develop statis-
 5 tical information based thereon as to the number and circumstances of traffic accidents. The de-
 6 partment shall publish information compiled under this section in the manner provided under ORS
 7 802.050.

8 [(7)] (8) Except as otherwise provided in this subsection, the records the department is required
 9 under ORS 802.200 to maintain on trip permits issued under ORS 803.600 are public records. The
 10 department may charge a fee established under ORS 802.230 for furnishing information from the re-

13 [(8)] (9) The records the department maintains under ORS 802.200 concerning odometer readings
 14 for vehicles are public records. The department may separately furnish information concerning
 15 odometer readings shown by its records. The department may charge the fee established under ORS
 16 802.230 for information separately provided under this subsection. Nothing in this subsection au-
 17 thORIZES the release of personal information as defined in ORS 802.175.

18 COMMERCIAL DRIVING PRIVILEGES

19
 20
 21 **SECTION 50.** ORS 809.520 is amended to read:

22 809.520. (1) [*Notwithstanding ORS 809.510 (1) to (5) and (7),*] The Department of Transportation
 23 shall permanently suspend a person's commercial driving privileges for the lifetime of the person if
 24 the department receives a record of conviction for a crime punishable as a felony in which a motor
 25 vehicle was used and that involved the manufacturing, distributing or dispensing of a controlled
 26 substance, as defined in ORS 475.005. The department may not reinstate commercial driving privi-
 27 leges of a person whose commercial driving privileges are suspended under this subsection.

28 (2) [*Notwithstanding ORS 809.510 (1) to (5) and (7),*] The department shall permanently suspend
 29 a person's commercial driving privileges for the lifetime of the person if the department receives a
 30 record of conviction for a crime in which a commercial motor vehicle was used and that involved
 31 an act or practice of severe forms of trafficking in persons as defined by the department by rule.
 32 The department may not reinstate commercial driving privileges of a person whose commercial
 33 driving privileges are suspended under this subsection.

34 (3)(a) [*Notwithstanding ORS 809.510 (1) to (5) and (7),*] The department shall suspend a person's
 35 commercial driving privileges for the lifetime of the person if the department receives a second or
 36 subsequent record, report or notice described in ORS 809.510 [(1) to (5) and (7)] that does not arise
 37 out of the same incident and that would be grounds for suspension of the person's commercial
 38 driving privileges under ORS 809.510 [(1) to (5) and (7)].

39 (b) The department may adopt rules providing for the reinstatement of commercial driving
 40 privileges suspended under this subsection. The department may not reinstate commercial driving
 41 **privileges** [*privilege suspensions*] under this subsection earlier than 10 years after the date that the
 42 person's commercial driving privileges are suspended under paragraph (a) of this subsection.

43 (c) The department shall permanently suspend a person's commercial driving privileges for the
 44 lifetime of the person if the department receives a record, report or notice described in paragraph
 45 (a) of this subsection that relates to conduct that occurred after the person's commercial driving

1 privileges were reinstated under paragraph (b) of this subsection. The department may not reinstate
 2 the commercial driving privileges of a person whose commercial driving privileges are suspended
 3 under this paragraph.

4 **(4) The department shall suspend a person's commercial driving privileges under this**
 5 **section if the department receives a notice of a conviction in another jurisdiction of an of-**
 6 **fense that, if committed in this state, would be grounds for suspending the person's com-**
 7 **mercial driving privileges under this section. The department's authority to reinstate a**
 8 **person's commercial driving privileges under this section is the same as if the conviction**
 9 **were for an offense committed in this state. For the purposes of this subsection,**
 10 **"conviction" has the meaning given that term in ORS 809.510 (6).**

11 [(4)] (5) A suspension imposed under this section is consecutive to any other suspension imposed
 12 under ORS 809.510, 809.525, 809.530 or 809.535, if the suspensions do not arise out of the same in-
 13 cident.

14 TEMPORARY REGISTRATION PERMITS

15
 16
 17 **SECTION 51.** ORS 803.350 is amended to read:

18 803.350. This section establishes the requirements for qualification for registration. The De-
 19 partment of Transportation may not issue registration to a vehicle if the requirements under this
 20 section are not met. The department, in the absence of just cause for refusing to register a vehicle
 21 upon application, shall assign a distinctive number or other distinctive means of identification and
 22 shall issue registration for a vehicle if all of the following requirements are met:

23 (1) The applicant applies for and is granted title in the applicant's name at the same time the
 24 person makes application for registration, or presents satisfactory evidence that title covering the
 25 vehicle has been previously issued to the applicant.

26 (2) The applicant completes an application described under ORS 803.370. If the vehicle is a re-
 27 constructed or assembled vehicle or a replica, the person must indicate that fact in the application
 28 or be subject to ORS 803.225.

29 (3) The applicant pays the department the registration fee established under ORS 803.420 and
 30 803.422 and any applicable fees for issuance of registration plates.

31 (4) For motor vehicles, proof of compliance with pollution control equipment requirements is
 32 provided to the department **before the department issues stickers, registration and**
 33 **plates. Nothing in this subsection prohibits a vehicle dealer from issuing a temporary regis-**
 34 **tration permit for a vehicle that does not have proof of compliance at the time the vehicle**
 35 **is sold. The dealer shall provide the purchaser with a written notice as prescribed in ORS**
 36 **803.625.** Proof required to comply with this subsection is described under ORS 815.310. This sub-
 37 section does not apply if the vehicle is exempt from the requirements for proof of compliance under
 38 ORS 815.300.
