2 **“SECTION 1. (1) As used in this section:**

3 **“(a) ‘Information technology’ means all present and future forms of hardware, software**
4 **and services for data processing, office automation and telecommunications.**

5 **“(b) ‘State agency’ means a board, commission, department, division, office or other en-**
6 **tity within the executive department, as defined in ORS 174.112, except:**

7 **“(A) The Secretary of State;**

8 **“(B) The State Treasurer;**

9 **“(C) The Oregon State Lottery; and**

10 **“(D) A public university that is listed in ORS 352.002.**

11 **“(2) The State Chief Information Officer shall adopt a policy and a procedure for state**
12 **agencies to follow in requesting funding for information technology budgets and projects,**
13 **including replacements, modernizations, upgrades and expansions of information technology**
14 **systems. Each state agency that intends to request funding for a budget or project described**
15 **in this subsection shall submit the request to the State Chief Information Officer and the**
16 **office of Enterprise Information Services for review not later than the date in each biennium**
17 **that the State Chief Information Officer specifies.**

18 **“(3) The State Chief Information Officer, in collaboration with the Legislative Fiscal Of-**
19 **fice, shall establish criteria for assigning priorities among the budgets and projects described**
20 **in subsection (2) of this section.**

21 **“(4) The office of Enterprise Information Services, in collaboration with affected state**
22 **agencies, shall evaluate budget and project requests the state agencies submit under sub-**
23 **section (2) of this section against the criteria that the State Chief Information Officer and**
24 **Legislative Fiscal Office specify under subsection (3) of this section. The office of Enterprise**
25 **Information Services shall then recommend for the State Chief Information Officer’s ap-**
26 **proval priority rankings of the requests within the context of all of each state agency’s re-**
27 **quests, the requests in a program area and the requests that the executive department**
28 **submits as a whole. In recommending the ranking, the office of Enterprise Information**
29 **Services shall consider whether, and the extent to which, a request:**

30 **“(a) Is consistent with and supports implementation of the Enterprise Information Re-**
31 **sources Management Strategy described in ORS 276A.203 (4)(a)(M);**

32 **“(b) Involves or promotes the use of shared systems, resources or data;**

33 **“(c) Uses commercially available systems or software;**
