

HB 2917-2
(LC 423)
3/25/25 (RH/ps)

Requested by Representative NOSSE

**PROPOSED AMENDMENTS TO
HOUSE BILL 2917**

1 In line 2 of the printed bill, after “assistance” insert “; creating new
2 provisions; amending ORS 414.025, 414.065, 414.325, 414.689, 414.690, 414.701,
3 414.735, 414.780, 415.500 and 741.340; and prescribing an effective date”.

4 Delete lines 4 through 9 and insert:

5 **“SECTION 1.** ORS 414.025, as amended by section 5, chapter 18, Oregon
6 Laws 2024, is amended to read:

7 “414.025. As used in this chapter and ORS chapters 411 and 413, unless
8 the context or a specially applicable statutory definition requires otherwise:

9 “(1)(a) ‘Alternative payment methodology’ means a payment other than a
10 fee-for-services payment, used by coordinated care organizations as compen-
11 sation for the provision of integrated and coordinated health care and ser-
12 vices.

13 “(b) ‘Alternative payment methodology’ includes, but is not limited to:

14 “(A) Shared savings arrangements;

15 “(B) Bundled payments; and

16 “(C) Payments based on episodes.

17 “(2) ‘Behavioral health assessment’ means an evaluation by a behavioral
18 health clinician, in person or using telemedicine, to determine a patient’s
19 need for immediate crisis stabilization.

20 “(3) ‘Behavioral health clinician’ means:

21 “(a) A licensed psychiatrist;

1 “(b) A licensed psychologist;

2 “(c) A licensed nurse practitioner with a specialty in psychiatric mental
3 health;

4 “(d) A licensed clinical social worker;

5 “(e) A licensed professional counselor or licensed marriage and family
6 therapist;

7 “(f) A certified clinical social work associate;

8 “(g) An intern or resident who is working under a board-approved super-
9 visory contract in a clinical mental health field; or

10 “(h) Any other clinician whose authorized scope of practice includes
11 mental health diagnosis and treatment.

12 “(4) ‘Behavioral health crisis’ means a disruption in an individual’s men-
13 tal or emotional stability or functioning resulting in an urgent need for im-
14 mediate outpatient treatment in an emergency department or admission to
15 a hospital to prevent a serious deterioration in the individual’s mental or
16 physical health.

17 “(5) ‘Behavioral health home’ means a mental health disorder or sub-
18 stance use disorder treatment organization, as defined by the Oregon Health
19 Authority by rule, that provides integrated health care to individuals whose
20 primary diagnoses are mental health disorders or substance use disorders.

21 “(6) ‘Category of aid’ means assistance provided by the Oregon Supple-
22 mental Income Program, aid granted under ORS 411.877 to 411.896 and
23 412.001 to 412.069 or federal Supplemental Security Income payments.

24 “(7) ‘Community health worker’ means an individual who meets quali-
25 fication criteria adopted by the authority under ORS 414.665 and who:

26 “(a) Has expertise or experience in public health;

27 “(b) Works in an urban or rural community, either for pay or as a vol-
28 unteer in association with a local health care system;

29 “(c) To the extent practicable, shares ethnicity, language, socioeconomic
30 status and life experiences with the residents of the community the worker

1 serves;

2 “(d) Assists members of the community to improve their health and in-
3 creases the capacity of the community to meet the health care needs of its
4 residents and achieve wellness;

5 “(e) Provides health education and information that is culturally appro-
6 priate to the individuals being served;

7 “(f) Assists community residents in receiving the care they need;

8 “(g) May give peer counseling and guidance on health behaviors; and

9 “(h) May provide direct services such as first aid or blood pressure
10 screening.

11 “(8) ‘Coordinated care organization’ means an organization meeting cri-
12 teria adopted by the Oregon Health Authority under ORS 414.572.

13 “(9) ‘Dually eligible for Medicare and Medicaid’ means, with respect to
14 eligibility for enrollment in a coordinated care organization, that an indi-
15 vidual is eligible for health services funded by Title XIX of the Social Se-
16 curity Act and is:

17 “(a) Eligible for or enrolled in Part A of Title XVIII of the Social Security
18 Act; or

19 “(b) Enrolled in Part B of Title XVIII of the Social Security Act.

20 “(10)(a) ‘Family support specialist’ means an individual who meets quali-
21 fication criteria adopted by the authority under ORS 414.665 and who pro-
22 vides supportive services to and has experience parenting a child who:

23 “(A) Is a current or former consumer of mental health or addiction
24 treatment; or

25 “(B) Is facing or has faced difficulties in accessing education, health and
26 wellness services due to a mental health or behavioral health barrier.

27 “(b) A ‘family support specialist’ may be a peer wellness specialist or a
28 peer support specialist.

29 “(11) ‘Global budget’ means a total amount established prospectively by
30 the Oregon Health Authority to be paid to a coordinated care organization

1 for the delivery of, management of, access to and quality of the health care
2 delivered to members of the coordinated care organization.

3 “(12) ‘Health insurance exchange’ or ‘exchange’ means an American
4 Health Benefit Exchange described in 42 U.S.C. 18031, 18032, 18033 and 18041.

5 “(13) ‘Health services’ means at least [*so much of each of*] the following
6 [*as are*] **services, to the extent** funded by the Legislative Assembly [*based*
7 *upon the prioritized list of health services compiled by the Health Evidence*
8 *Review Commission under ORS 414.690*]:

9 “(a) Services required by federal law to be included in the state’s medical
10 assistance program in order for the program to qualify for federal funds;

11 “(b) Services provided by a physician as defined in ORS 677.010, a nurse
12 practitioner licensed under ORS 678.375, a behavioral health clinician or
13 other licensed practitioner within the scope of the practitioner’s practice as
14 defined by state law, and ambulance services;

15 “(c) Prescription drugs;

16 “(d) Laboratory and X-ray services;

17 “(e) Medical equipment and supplies;

18 “(f) Mental health services;

19 “(g) Chemical dependency services;

20 “(h) Emergency dental services;

21 “(i) Nonemergency dental services;

22 “(j) Provider services, other than services described in paragraphs (a) to
23 (i), (k), (L) and (m) of this subsection, defined by federal law that may be
24 included in the state’s medical assistance program;

25 “(k) Emergency hospital services;

26 “(L) Outpatient hospital services; and

27 “(m) Inpatient hospital services.

28 “(14) ‘Income’ has the meaning given that term in ORS 411.704.

29 “(15)(a) ‘Integrated health care’ means care provided to individuals and
30 their families in a patient centered primary care home or behavioral health

1 home by licensed primary care clinicians, behavioral health clinicians and
2 other care team members, working together to address one or more of the
3 following:

4 “(A) Mental illness.

5 “(B) Substance use disorders.

6 “(C) Health behaviors that contribute to chronic illness.

7 “(D) Life stressors and crises.

8 “(E) Developmental risks and conditions.

9 “(F) Stress-related physical symptoms.

10 “(G) Preventive care.

11 “(H) Ineffective patterns of health care utilization.

12 “(b) As used in this subsection, ‘other care team members’ includes but
13 is not limited to:

14 “(A) Qualified mental health professionals or qualified mental health as-
15 sociates meeting requirements adopted by the Oregon Health Authority by
16 rule;

17 “(B) Peer wellness specialists;

18 “(C) Peer support specialists;

19 “(D) Community health workers who have completed a state-certified
20 training program;

21 “(E) Personal health navigators; or

22 “(F) Other qualified individuals approved by the Oregon Health Author-
23 ity.

24 “(16) ‘Investments and savings’ means cash, securities as defined in ORS
25 59.015, negotiable instruments as defined in ORS 73.0104 and such similar
26 investments or savings as the department or the authority may establish by
27 rule that are available to the applicant or recipient to contribute toward
28 meeting the needs of the applicant or recipient.

29 “(17) ‘Medical assistance’ means so much of the medical, mental health,
30 preventive, supportive, palliative and remedial care and services as may be

1 prescribed by the authority according to the standards established pursuant
2 to ORS 414.065, including premium assistance under ORS 414.115 and 414.117,
3 payments made for services provided under an insurance or other contractual
4 arrangement and money paid directly to the recipient for the purchase of
5 health services and for services described in ORS 414.710.

6 “(18) ‘Medical assistance’ includes any care or services for any individual
7 who is a patient in a medical institution or any care or services for any in-
8 dividual who has attained 65 years of age or is under 22 years of age, and
9 who is a patient in a private or public institution for mental diseases. Except
10 as provided in ORS 411.439 and 411.447, ‘medical assistance’ does not include
11 care or services for a resident of a nonmedical public institution.

12 “(19) ‘Patient centered primary care home’ means a health care team or
13 clinic that is organized in accordance with the standards established by the
14 Oregon Health Authority under ORS 414.655 and that incorporates the fol-
15 lowing core attributes:

16 “(a) Access to care;

17 “(b) Accountability to consumers and to the community;

18 “(c) Comprehensive whole person care;

19 “(d) Continuity of care;

20 “(e) Coordination and integration of care; and

21 “(f) Person and family centered care.

22 “(20) ‘Peer support specialist’ means any of the following individuals who
23 meet qualification criteria adopted by the authority under ORS 414.665 and
24 who provide supportive services to a current or former consumer of mental
25 health or addiction treatment:

26 “(a) An individual who is a current or former consumer of mental health
27 treatment; or

28 “(b) An individual who is in recovery, as defined by the Oregon Health
29 Authority by rule, from an addiction disorder.

30 “(21) ‘Peer wellness specialist’ means an individual who meets qualifica-

1 tion criteria adopted by the authority under ORS 414.665 and who is re-
2 sponsible for assessing mental health and substance use disorder service and
3 support needs of a member of a coordinated care organization through com-
4 munity outreach, assisting members with access to available services and
5 resources, addressing barriers to services and providing education and in-
6 formation about available resources for individuals with mental health or
7 substance use disorders in order to reduce stigma and discrimination toward
8 consumers of mental health and substance use disorder services and to assist
9 the member in creating and maintaining recovery, health and wellness.

10 “(22) ‘Person centered care’ means care that:

11 “(a) Reflects the individual patient’s strengths and preferences;

12 “(b) Reflects the clinical needs of the patient as identified through an
13 individualized assessment; and

14 “(c) Is based upon the patient’s goals and will assist the patient in
15 achieving the goals.

16 “(23) ‘Personal health navigator’ means an individual who meets quali-
17 fication criteria adopted by the authority under ORS 414.665 and who pro-
18 vides information, assistance, tools and support to enable a patient to make
19 the best health care decisions in the patient’s particular circumstances and
20 in light of the patient’s needs, lifestyle, combination of conditions and de-
21 sired outcomes.

22 “(24) ‘Prepaid managed care health services organization’ means a man-
23 aged dental care, mental health or chemical dependency organization that
24 contracts with the authority under ORS 414.654 or with a coordinated care
25 organization on a prepaid capitated basis to provide health services to med-
26 ical assistance recipients.

27 “(25) ‘Quality measure’ means the health outcome and quality measures
28 and benchmarks identified by the Health Plan Quality Metrics Committee
29 and the metrics and scoring subcommittee in accordance with ORS 413.017
30 (4) and 413.022 and the quality metrics developed by the Behavioral Health

1 Committee in accordance with ORS 413.017 (5).

2 “(26)(a) ‘Quality of life in general measure’ means an assessment of the
3 value, effectiveness or cost-effectiveness of a treatment that gives greater
4 value to a year of life lived in perfect health than the value given to a year
5 of life lived in less than perfect health.

6 “(b) ‘Quality of life in general measure’ does not mean an assessment of
7 the value, effectiveness or cost-effectiveness of a treatment during a clinical
8 trial in which a study participant is asked to rate the participant’s physical
9 function, pain, general health, vitality, social functions or other similar do-
10 mains.

11 “(27) ‘Resources’ has the meaning given that term in ORS 411.704. For
12 eligibility purposes, ‘resources’ does not include charitable contributions
13 raised by a community to assist with medical expenses.

14 “(28) ‘Social determinants of health’ means:

15 “(a) Nonmedical factors that influence health outcomes;

16 “(b) The conditions in which individuals are born, grow, work, live and
17 age; and

18 “(c) The forces and systems that shape the conditions of daily life, such
19 as economic policies and systems, development agendas, social norms, social
20 policies, racism, climate change and political systems.

21 “(29) ‘Tribal traditional health worker’ means an individual who meets
22 qualification criteria adopted by the authority under ORS 414.665 and who:

23 “(a) Has expertise or experience in public health;

24 “(b) Works in a tribal community or an urban Indian community, either
25 for pay or as a volunteer in association with a local health care system;

26 “(c) To the extent practicable, shares ethnicity, language, socioeconomic
27 status and life experiences with the residents of the community the worker
28 serves;

29 “(d) Assists members of the community to improve their health, including
30 physical, behavioral and oral health, and increases the capacity of the com-

1 munity to meet the health care needs of its residents and achieve wellness;

2 “(e) Provides health education and information that is culturally appro-
3 priate to the individuals being served;

4 “(f) Assists community residents in receiving the care they need;

5 “(g) May give peer counseling and guidance on health behaviors; and

6 “(h) May provide direct services, such as tribal-based practices.

7 “(30)(a) ‘Youth support specialist’ means an individual who meets quali-
8 fication criteria adopted by the authority under ORS 414.665 and who, based
9 on a similar life experience, provides supportive services to an individual
10 who:

11 “(A) Is not older than 30 years of age; and

12 “(B)(i) Is a current or former consumer of mental health or addiction
13 treatment; or

14 “(ii) Is facing or has faced difficulties in accessing education, health and
15 wellness services due to a mental health or behavioral health barrier.

16 “(b) A ‘youth support specialist’ may be a peer wellness specialist or a
17 peer support specialist.

18 **“SECTION 2.** ORS 414.025, as amended by section 2, chapter 628, Oregon
19 Laws 2021, and section 6, chapter 18, Oregon Laws 2024, is amended to read:

20 “414.025. As used in this chapter and ORS chapters 411 and 413, unless
21 the context or a specially applicable statutory definition requires otherwise:

22 “(1)(a) ‘Alternative payment methodology’ means a payment other than a
23 fee-for-services payment, used by coordinated care organizations as compen-
24 sation for the provision of integrated and coordinated health care and ser-
25 vices.

26 “(b) ‘Alternative payment methodology’ includes, but is not limited to:

27 “(A) Shared savings arrangements;

28 “(B) Bundled payments; and

29 “(C) Payments based on episodes.

30 “(2) ‘Behavioral health assessment’ means an evaluation by a behavioral

1 health clinician, in person or using telemedicine, to determine a patient's
2 need for immediate crisis stabilization.

3 “(3) ‘Behavioral health clinician’ means:

4 “(a) A licensed psychiatrist;

5 “(b) A licensed psychologist;

6 “(c) A licensed nurse practitioner with a specialty in psychiatric mental
7 health;

8 “(d) A licensed clinical social worker;

9 “(e) A licensed professional counselor or licensed marriage and family
10 therapist;

11 “(f) A certified clinical social work associate;

12 “(g) An intern or resident who is working under a board-approved super-
13 visory contract in a clinical mental health field; or

14 “(h) Any other clinician whose authorized scope of practice includes
15 mental health diagnosis and treatment.

16 “(4) ‘Behavioral health crisis’ means a disruption in an individual’s men-
17 tal or emotional stability or functioning resulting in an urgent need for im-
18 mediate outpatient treatment in an emergency department or admission to
19 a hospital to prevent a serious deterioration in the individual’s mental or
20 physical health.

21 “(5) ‘Behavioral health home’ means a mental health disorder or sub-
22 stance use disorder treatment organization, as defined by the Oregon Health
23 Authority by rule, that provides integrated health care to individuals whose
24 primary diagnoses are mental health disorders or substance use disorders.

25 “(6) ‘Category of aid’ means assistance provided by the Oregon Supple-
26 mental Income Program, aid granted under ORS 411.877 to 411.896 and
27 412.001 to 412.069 or federal Supplemental Security Income payments.

28 “(7) ‘Community health worker’ means an individual who meets quali-
29 fication criteria adopted by the authority under ORS 414.665 and who:

30 “(a) Has expertise or experience in public health;

1 “(b) Works in an urban or rural community, either for pay or as a vol-
2 unteer in association with a local health care system;

3 “(c) To the extent practicable, shares ethnicity, language, socioeconomic
4 status and life experiences with the residents of the community the worker
5 serves;

6 “(d) Assists members of the community to improve their health and in-
7 creases the capacity of the community to meet the health care needs of its
8 residents and achieve wellness;

9 “(e) Provides health education and information that is culturally appro-
10 priate to the individuals being served;

11 “(f) Assists community residents in receiving the care they need;

12 “(g) May give peer counseling and guidance on health behaviors; and

13 “(h) May provide direct services such as first aid or blood pressure
14 screening.

15 “(8) ‘Coordinated care organization’ means an organization meeting cri-
16 teria adopted by the Oregon Health Authority under ORS 414.572.

17 “(9) ‘Dually eligible for Medicare and Medicaid’ means, with respect to
18 eligibility for enrollment in a coordinated care organization, that an indi-
19 vidual is eligible for health services funded by Title XIX of the Social Se-
20 curity Act and is:

21 “(a) Eligible for or enrolled in Part A of Title XVIII of the Social Security
22 Act; or

23 “(b) Enrolled in Part B of Title XVIII of the Social Security Act.

24 “(10)(a) ‘Family support specialist’ means an individual who meets quali-
25 fication criteria adopted by the authority under ORS 414.665 and who pro-
26 vides supportive services to and has experience parenting a child who:

27 “(A) Is a current or former consumer of mental health or addiction
28 treatment; or

29 “(B) Is facing or has faced difficulties in accessing education, health and
30 wellness services due to a mental health or behavioral health barrier.

1 “(b) A ‘family support specialist’ may be a peer wellness specialist or a
2 peer support specialist.

3 “(11) ‘Global budget’ means a total amount established prospectively by
4 the Oregon Health Authority to be paid to a coordinated care organization
5 for the delivery of, management of, access to and quality of the health care
6 delivered to members of the coordinated care organization.

7 “(12) ‘Health insurance exchange’ or ‘exchange’ means an American
8 Health Benefit Exchange described in 42 U.S.C. 18031, 18032, 18033 and 18041.

9 “(13) ‘Health services’ means at least [*so much of each of*] the following
10 [*as are*] **services, to the extent** funded by the Legislative Assembly [*based*
11 *upon the prioritized list of health services compiled by the Health Evidence*
12 *Review Commission under ORS 414.690*]:

13 “(a) Services required by federal law to be included in the state’s medical
14 assistance program in order for the program to qualify for federal funds;

15 “(b) Services provided by a physician as defined in ORS 677.010, a nurse
16 practitioner licensed under ORS 678.375, a behavioral health clinician or
17 other licensed practitioner within the scope of the practitioner’s practice as
18 defined by state law, and ambulance services;

19 “(c) Prescription drugs;

20 “(d) Laboratory and X-ray services;

21 “(e) Medical equipment and supplies;

22 “(f) Mental health services;

23 “(g) Chemical dependency services;

24 “(h) Emergency dental services;

25 “(i) Nonemergency dental services;

26 “(j) Provider services, other than services described in paragraphs (a) to
27 (i), (k), (L) and (m) of this subsection, defined by federal law that may be
28 included in the state’s medical assistance program;

29 “(k) Emergency hospital services;

30 “(L) Outpatient hospital services; and

1 “(m) Inpatient hospital services.

2 “(14) ‘Income’ has the meaning given that term in ORS 411.704.

3 “(15)(a) ‘Integrated health care’ means care provided to individuals and
4 their families in a patient centered primary care home or behavioral health
5 home by licensed primary care clinicians, behavioral health clinicians and
6 other care team members, working together to address one or more of the
7 following:

8 “(A) Mental illness.

9 “(B) Substance use disorders.

10 “(C) Health behaviors that contribute to chronic illness.

11 “(D) Life stressors and crises.

12 “(E) Developmental risks and conditions.

13 “(F) Stress-related physical symptoms.

14 “(G) Preventive care.

15 “(H) Ineffective patterns of health care utilization.

16 “(b) As used in this subsection, ‘other care team members’ includes but
17 is not limited to:

18 “(A) Qualified mental health professionals or qualified mental health as-
19 sociates meeting requirements adopted by the Oregon Health Authority by
20 rule;

21 “(B) Peer wellness specialists;

22 “(C) Peer support specialists;

23 “(D) Community health workers who have completed a state-certified
24 training program;

25 “(E) Personal health navigators; or

26 “(F) Other qualified individuals approved by the Oregon Health Author-
27 ity.

28 “(16) ‘Investments and savings’ means cash, securities as defined in ORS
29 59.015, negotiable instruments as defined in ORS 73.0104 and such similar
30 investments or savings as the department or the authority may establish by

1 rule that are available to the applicant or recipient to contribute toward
2 meeting the needs of the applicant or recipient.

3 “(17) ‘Medical assistance’ means so much of the medical, mental health,
4 preventive, supportive, palliative and remedial care and services as may be
5 prescribed by the authority according to the standards established pursuant
6 to ORS 414.065, including premium assistance under ORS 414.115 and 414.117,
7 payments made for services provided under an insurance or other contractual
8 arrangement and money paid directly to the recipient for the purchase of
9 health services and for services described in ORS 414.710.

10 “(18) ‘Medical assistance’ includes any care or services for any individual
11 who is a patient in a medical institution or any care or services for any in-
12 dividual who has attained 65 years of age or is under 22 years of age, and
13 who is a patient in a private or public institution for mental diseases. Except
14 as provided in ORS 411.439 and 411.447, ‘medical assistance’ does not include
15 care or services for a resident of a nonmedical public institution.

16 “(19) ‘Mental health drug’ means a type of legend drug, as defined in ORS
17 414.325, specified by the Oregon Health Authority by rule, including but not
18 limited to:

19 “(a) Therapeutic class 7 ataractics-tranquilizers; and

20 “(b) Therapeutic class 11 psychostimulants-antidepressants.

21 “(20) ‘Patient centered primary care home’ means a health care team or
22 clinic that is organized in accordance with the standards established by the
23 Oregon Health Authority under ORS 414.655 and that incorporates the fol-
24 lowing core attributes:

25 “(a) Access to care;

26 “(b) Accountability to consumers and to the community;

27 “(c) Comprehensive whole person care;

28 “(d) Continuity of care;

29 “(e) Coordination and integration of care; and

30 “(f) Person and family centered care.

1 “(21) ‘Peer support specialist’ means any of the following individuals who
2 meet qualification criteria adopted by the authority under ORS 414.665 and
3 who provide supportive services to a current or former consumer of mental
4 health or addiction treatment:

5 “(a) An individual who is a current or former consumer of mental health
6 treatment; or

7 “(b) An individual who is in recovery, as defined by the Oregon Health
8 Authority by rule, from an addiction disorder.

9 “(22) ‘Peer wellness specialist’ means an individual who meets qualifica-
10 tion criteria adopted by the authority under ORS 414.665 and who is re-
11 sponsible for assessing mental health and substance use disorder service and
12 support needs of a member of a coordinated care organization through com-
13 munity outreach, assisting members with access to available services and
14 resources, addressing barriers to services and providing education and in-
15 formation about available resources for individuals with mental health or
16 substance use disorders in order to reduce stigma and discrimination toward
17 consumers of mental health and substance use disorder services and to assist
18 the member in creating and maintaining recovery, health and wellness.

19 “(23) ‘Person centered care’ means care that:

20 “(a) Reflects the individual patient’s strengths and preferences;

21 “(b) Reflects the clinical needs of the patient as identified through an
22 individualized assessment; and

23 “(c) Is based upon the patient’s goals and will assist the patient in
24 achieving the goals.

25 “(24) ‘Personal health navigator’ means an individual who meets quali-
26 fication criteria adopted by the authority under ORS 414.665 and who pro-
27 vides information, assistance, tools and support to enable a patient to make
28 the best health care decisions in the patient’s particular circumstances and
29 in light of the patient’s needs, lifestyle, combination of conditions and de-
30 sired outcomes.

1 “(25) ‘Prepaid managed care health services organization’ means a man-
2 aged dental care, mental health or chemical dependency organization that
3 contracts with the authority under ORS 414.654 or with a coordinated care
4 organization on a prepaid capitated basis to provide health services to med-
5 ical assistance recipients.

6 “(26) ‘Quality measure’ means the health outcome and quality measures
7 and benchmarks identified by the Health Plan Quality Metrics Committee
8 and the metrics and scoring subcommittee in accordance with ORS 413.017
9 (4) and 413.022 and the quality metrics developed by the Behavioral Health
10 Committee in accordance with ORS 413.017 (5).

11 “(27)(a) ‘Quality of life in general measure’ means an assessment of the
12 value, effectiveness or cost-effectiveness of a treatment that gives greater
13 value to a year of life lived in perfect health than the value given to a year
14 of life lived in less than perfect health.

15 “(b) ‘Quality of life in general measure’ does not mean an assessment of
16 the value, effectiveness or cost-effectiveness of a treatment during a clinical
17 trial in which a study participant is asked to rate the participant’s physical
18 function, pain, general health, vitality, social functions or other similar do-
19 mains.

20 “(28) ‘Resources’ has the meaning given that term in ORS 411.704. For
21 eligibility purposes, ‘resources’ does not include charitable contributions
22 raised by a community to assist with medical expenses.

23 “(29) ‘Social determinants of health’ means:

24 “(a) Nonmedical factors that influence health outcomes;

25 “(b) The conditions in which individuals are born, grow, work, live and
26 age; and

27 “(c) The forces and systems that shape the conditions of daily life, such
28 as economic policies and systems, development agendas, social norms, social
29 policies, racism, climate change and political systems.

30 “(30) ‘Tribal traditional health worker’ means an individual who meets

1 qualification criteria adopted by the authority under ORS 414.665 and who:

2 “(a) Has expertise or experience in public health;

3 “(b) Works in a tribal community or an urban Indian community, either
4 for pay or as a volunteer in association with a local health care system;

5 “(c) To the extent practicable, shares ethnicity, language, socioeconomic
6 status and life experiences with the residents of the community the worker
7 serves;

8 “(d) Assists members of the community to improve their health, including
9 physical, behavioral and oral health, and increases the capacity of the com-
10 munity to meet the health care needs of its residents and achieve wellness;

11 “(e) Provides health education and information that is culturally appro-
12 priate to the individuals being served;

13 “(f) Assists community residents in receiving the care they need;

14 “(g) May give peer counseling and guidance on health behaviors; and

15 “(h) May provide direct services, such as tribal-based practices.

16 “(31)(a) ‘Youth support specialist’ means an individual who meets quali-
17 fication criteria adopted by the authority under ORS 414.665 and who, based
18 on a similar life experience, provides supportive services to an individual
19 who:

20 “(A) Is not older than 30 years of age; and

21 “(B)(i) Is a current or former consumer of mental health or addiction
22 treatment; or

23 “(ii) Is facing or has faced difficulties in accessing education, health and
24 wellness services due to a mental health or behavioral health barrier.

25 “(b) A ‘youth support specialist’ may be a peer wellness specialist or a
26 peer support specialist.

27 **“SECTION 3.** ORS 414.065, as amended by section 1, chapter 18, Oregon
28 Laws 2024, is amended to read:

29 “414.065. (1)(a) Consistent with ORS 414.690, 414.710, 414.712 and 414.766
30 and other statutes governing the provision of and payments for health ser-

1 vices in medical assistance, the Oregon Health Authority shall [*determine*],
2 subject to such revisions as it may make from time to time and to legislative
3 funding:

4 “(A) **Determine** the types and extent of health services to be provided to
5 each eligible group of recipients of medical assistance **in accordance with**
6 **federal laws governing mandatory and optional state medical assist-**
7 **ance services.**

8 “(B) **Establish by rule** standards, including **a definition of medical**
9 **necessity, medical necessity criteria and** outcome and quality measures,
10 to be observed in the provision of health services.

11 “(C) **Determine** the number of days of health services toward the cost
12 of which medical assistance funds will be expended in the care of any person.

13 “(D) **Establish** reasonable fees, charges, daily rates and global payments
14 for meeting the costs of providing health services to an applicant or recipi-
15 ent.

16 “(E) **Establish** reasonable fees for professional medical and dental ser-
17 vices which may be based on usual and customary fees in the locality for
18 similar services.

19 “(F) **Determine** the amount and application of any copayment or other
20 similar cost-sharing payment that the authority may require a recipient to
21 pay toward the cost of health services.

22 “(b) The authority shall adopt rules establishing timelines for payment
23 of health services under paragraph (a) of this subsection.

24 “(2) In [*making the determinations*] **performing the actions** under sub-
25 section (1) of this section and in the imposition of any utilization controls
26 on access to health services, the authority may not consider a quality of life
27 in general measure, either directly or by considering a source that relies on
28 a quality of life in general measure.

29 “(3) The types and extent of health services and the amounts to be paid
30 in meeting the costs thereof, as determined and fixed by the authority and

1 within the limits of funds available therefor, shall be the total available for
2 medical assistance, and payments for such medical assistance shall be the
3 total amounts from medical assistance funds available to providers of health
4 services in meeting the costs thereof.

5 “(4) Except for payments under a cost-sharing plan, payments made by the
6 authority for medical assistance shall constitute payment in full for all
7 health services for which such payments of medical assistance were made.

8 “(5) Notwithstanding subsection (1) of this section, the Department of
9 Human Services shall be responsible for determining the payment for
10 Medicaid-funded long term care services and for contracting with the pro-
11 viders of long term care services.

12 “(6) In determining a global budget for a coordinated care organization:

13 “(a) The allocation of the payment, the risk and any cost savings shall
14 be determined by the governing body of the organization;

15 “(b) The authority shall consider the community health assessment con-
16 ducted by the organization in accordance with ORS 414.577 and reviewed
17 annually, and the organization’s health care costs; and

18 “(c) The authority shall take into account the organization’s provision
19 of innovative, nontraditional health services.

20 “(7) Under the supervision of the Governor, the authority may work with
21 the Centers for Medicare and Medicaid Services to develop, in addition to
22 global budgets, payment streams:

23 “(a) To support improved delivery of health care to recipients of medical
24 assistance; and

25 “(b) That are funded by coordinated care organizations, counties or other
26 entities other than the state whose contributions qualify for federal matching
27 funds under Title XIX or XXI of the Social Security Act.

28 “**SECTION 4.** ORS 414.689, as amended by section 2, chapter 18, Oregon
29 Laws 2024, is amended to read:

30 “414.689. (1) The Health Evidence Review Commission shall select one of

1 its members as chairperson and another as vice chairperson, for terms and
2 with duties and powers the commission determines necessary for the per-
3 formance of the functions of the offices.

4 “(2) A majority of the members of the commission constitutes a quorum
5 for the transaction of business.

6 “(3) The commission shall meet at least four times per year at a place,
7 day and hour determined by the chairperson. The commission also shall meet
8 at other times and places specified by the call of the chairperson or of a
9 majority of the members of the commission. All meetings and deliberations
10 of the commission shall be in accordance with ORS 192.610 to 192.690. The
11 commission may not meet in executive session to hear evidence from an ad-
12 visory committee or subcommittee or a panel of experts or to deliberate on
13 matters presented by an advisory committee or subcommittee or a panel of
14 experts.

15 “(4) The commission may use advisory committees or subcommittees
16 whose members are appointed by the chairperson of the commission subject
17 to approval by a majority of the members of the commission. The advisory
18 committees or subcommittees may contain experts appointed by the chair-
19 person and a majority of the members of the commission. The conditions of
20 service of the experts will be determined by the chairperson and a majority
21 of the members of the commission.

22 “(5) The Oregon Health Authority shall provide staff and support services
23 to the commission.

24 **“(6) The commission shall adopt by rule practices to prevent undue
25 influence by interested parties.**

26 **“SECTION 5.** ORS 414.690, as amended by section 3, chapter 18, Oregon
27 Laws 2024, is amended to read:

28 “414.690. (1) The Health Evidence Review Commission shall regularly so-
29 licit testimony and information from stakeholders representing consumers,
30 advocates, providers, carriers and employers in conducting the work of the

1 commission.

2 “(2) The commission shall actively solicit public involvement through a
3 public meeting process to guide health resource allocation decisions that
4 includes, but is not limited to:

5 “(a) Providing members of the public the opportunity to provide input on
6 the selection of any vendor that provides research and analysis to the com-
7 mission; and

8 “(b) Inviting public comment on any research or analysis tool or health
9 economic measures to be relied upon by the commission in the commission’s
10 decision-making.

11 “(3)(a) The commission shall develop and maintain [*a list of health services*
12 *ranked by priority, from the most important to the least important, representing*
13 *the comparative benefits of each service to the population to be served*] **clinical**
14 **coverage policies that shall include:**

15 “(A) **Diagnosis and treatment code pairings that indicate which**
16 **health services are medically necessary for which conditions; and**

17 “(B) **Coverage guidelines regarding medically necessary health ser-**
18 **vices.**

19 “(b) **The clinical coverage policies developed under this section must**
20 **be consistent with the medical necessity definition established by the**
21 **Oregon Health Authority under ORS 414.065 and federal laws governing**
22 **mandatory and optional state medical assistance services.**

23 “[*b*] (c) Except as provided in ORS 414.701, the commission may not rely
24 upon any quality of life in general measures, either directly or by consider-
25 ing research or analysis that relies on a quality of life in general measure,
26 in determining:

27 “(A) Whether a service is cost-effective;

28 “(B) Whether a service is recommended; or

29 “(C) The value of a service.

30 “[*c*] (d) The [*list*] **clinical coverage policies developed under this**

1 **section** must be submitted by the commission pursuant to subsection (5) of
2 this section and *[is]* **are** not subject to alteration by any other state agency.

3 “(4) In order to encourage effective and efficient medical evaluation and
4 treatment, the commission:

5 “(a) *[May include clinical practice guidelines in its prioritized list of ser-*
6 *vices. The commission]* Shall actively solicit testimony and information from
7 the medical community and the public to build a consensus on clinical
8 *[practice guidelines]* **coverage policies** developed by the commission.

9 “(b) May include statements of intent in its *[prioritized list of services]*
10 **clinical coverage policies**. Statements of intent should give direction on
11 coverage decisions where medical codes and *[clinical practice]* **coverage**
12 guidelines cannot convey the intent of the commission.

13 “(c) Shall consider both the clinical effectiveness and cost-effectiveness,
14 **according to peer-reviewed medical literature**, of health services, in-
15 cluding drug therapies, in *[determining their relative importance]* **developing**
16 **clinical coverage policies** *[using peer-reviewed medical literature]*.

17 “(5) The commission shall report *[the prioritized list of services]* **any**
18 **changes to the clinical coverage policies developed under this section**
19 to the Oregon Health Authority for budget determinations by July 1 of each
20 even-numbered year.

21 “(6) The commission shall make its report during each regular session of
22 the Legislative Assembly and shall submit a copy of its report to the Gov-
23 ernor, the Speaker of the House of Representatives and the President of the
24 Senate and post to the Oregon Health Authority’s website, along with a so-
25 licitation of public comment, an assessment of the impact on access to med-
26 ically necessary treatment and services by persons with disabilities or
27 chronic illnesses resulting from the commission’s prior use of any quality of
28 life in general measures or any research or analysis that referred to or relied
29 upon a quality of life in general measure.

30 “(7) The commission may alter the *[list]* **clinical coverage policies de-**

1 **veloped under this section** during the interim only as follows:

2 “(a) To make technical changes to correct errors and omissions;

3 “(b) To accommodate changes due to advancements in medical technology
4 or new data regarding health outcomes;

5 “(c) To accommodate changes to [*clinical practice*] **coverage** guidelines;
6 and

7 “(d) To add **or modify** statements of intent that clarify [*the prioritized*
8 *list*] **the commission’s clinical coverage policies.**

9 “(8) [*If a service is deleted or added during an interim and no new funding*
10 *is required, the commission shall report to the Speaker of the House of Rep-*
11 *resentatives and the President of the Senate. However, if a service to be added*
12 *requires increased funding to avoid discontinuing another service, the com-*
13 *mission shall report to the Emergency Board to request the funding.*] **If the**
14 **commission changes the clinical coverage policies developed under this**
15 **section during an interim, the commission shall report the change to**
16 **the authority. If the change requires increased funding, the authority**
17 **may request additional funding from the Emergency Board.**

18 “(9) [*The prioritized list of services remains*] **Changes to the clinical**
19 **coverage policies developed under this section, as reported under sub-**
20 **section (5) of this section, shall remain** in effect for a two-year period
21 beginning no earlier than October 1 of each odd-numbered year.

22 “(10)(a) As used in this section, ‘peer-reviewed medical literature’ means
23 scientific studies printed in journals or other publications that publish ori-
24 ginal manuscripts only after the manuscripts have been critically reviewed
25 by unbiased independent experts for scientific accuracy, validity and reli-
26 ability.

27 “(b) ‘Peer-reviewed medical literature’ does not include internal publica-
28 tions of pharmaceutical manufacturers.

29 **“SECTION 6.** ORS 414.701, as amended by section 4, chapter 18, Oregon
30 Laws 2024, is amended to read:

1 “414.701. (1) As used in this section, ‘peer-reviewed medical literature’ has
2 the meaning given that term in ORS 414.690.

3 “(2) The Health Evidence Review Commission, in [*ranking health services*
4 *or developing guidelines*] **developing clinical coverage policies** under ORS
5 414.690 or in assessing medical technologies under ORS 414.698, and the
6 Pharmacy and Therapeutics Committee, in considering a recommendation for
7 a drug to be included on any preferred drug list or on the Practitioner-
8 Managed Prescription Drug Plan:

9 “(a) May not rely solely on the results of comparative effectiveness re-
10 search but must evaluate a range of research and analysis, including peer-
11 reviewed medical literature that:

12 “(A) Studies health outcomes that are priorities for persons with disabil-
13 ities who experience specific diseases or illnesses, through surveys or other
14 methods of identifying priority outcomes for individuals who experience the
15 diseases or illnesses;

16 “(B) Studies subgroups of patients who experience specific diseases or
17 illnesses, to ensure consideration of any important differences and clinical
18 characteristics applicable to the subgroups; and

19 “(C) Considers the full range of relevant, peer-reviewed medical literature
20 and avoids harm to patients caused by undue emphasis on evidence that is
21 deemed inconclusive of clinical differences without further investigation.

22 “(b) May consider research or analyses that reference a quality of life in
23 general measure only if:

24 “(A) The staff of the commission includes an individual who:

25 “(i) Is trained in identifying bias and discrimination in medical research
26 and analyses;

27 “(ii) Is not involved in research evaluation and recommendations for a
28 given condition-treatment pair on the prioritized list subject to the
29 commission’s review; and

30 “(iii) Determines that any of a researcher’s conclusions and analyses

1 about the value or cost-effectiveness of a treatment, that were relied upon
2 by the staff of the commission in making a recommendation regarding the
3 treatment, did not rely upon and were not influenced by the quality of life
4 in general measure; and

5 “(B) All references to the quality of life in general measure are redacted
6 from the research or analyses before the research or analyses are presented
7 to the commission or to any advisory committee or subcommittees used or
8 consulted by the commission.

9 “(3) The commission may not contract with a single vendor to provide or
10 compile research and analysis that is considered by the commission, and the
11 commission shall publicly disclose, regarding vendors providing or compiling
12 research or analysis to the commission:

13 “(a) The vendors’ funding sources; and

14 “(b) Any conflicts of interest that a vendor may have with respect to the
15 research and analysis provided.

16 “**SECTION 7.** ORS 414.735 is amended to read:

17 “414.735. (1) If insufficient resources are available during a contract pe-
18 riod:

19 “(a) The population of eligible persons determined by law may not be re-
20 duced.

21 “(b) The reimbursement rate for providers and plans established under the
22 contractual agreement may not be reduced.

23 “(2) In the circumstances described in subsection (1) of this section, re-
24 imbursement [*shall*] **may** be adjusted by reducing the health services for the
25 eligible population [*by eliminating services in the order of priority recom-*
26 *mended by the Health Evidence Review Commission, starting with the least*
27 *important and progressing toward the most important*].

28 “(3) The Oregon Health Authority shall obtain the approval of the Leg-
29 islative Assembly, or the Emergency Board if the Legislative Assembly is not
30 in session, before instituting the reductions. In addition, providers contract-

1 ing to provide health services under [ORS 414.591, 414.631 and 414.688 to
2 414.745] **this chapter** must be notified at least two weeks prior to any leg-
3 islative consideration of such reductions. Any reductions made under this
4 section shall take effect no sooner than 60 days following final legislative
5 action approving the reductions.

6 “(4) This section does not apply to reductions made by the Legislative
7 Assembly in a legislatively adopted or approved budget.

8 **“SECTION 8.** ORS 414.325 is amended to read:

9 “414.325. (1) As used in this section:

10 “(a) ‘Legend drug’ means any drug requiring a prescription by a practi-
11 tioner, as defined in ORS 689.005.

12 “(b) ‘Urgent medical condition’ means a medical condition that arises
13 suddenly, is not life-threatening and requires prompt treatment to avoid the
14 development of more serious medical problems.

15 “(2) A licensed practitioner may prescribe such drugs under this chapter
16 as the practitioner in the exercise of professional judgment considers appro-
17 priate for the diagnosis or treatment of the patient in the practitioner’s care
18 and within the scope of practice. Prescriptions shall be dispensed in the ge-
19 neric form pursuant to ORS 689.515 and pursuant to rules of the Oregon
20 Health Authority unless the practitioner prescribes otherwise and an excep-
21 tion is granted by the authority.

22 “(3) Except as provided in subsections (4) and (5) of this section, the au-
23 thority shall place no limit on the type of legend drug that may be prescribed
24 by a practitioner, but the authority shall pay only for drugs in the generic
25 form unless an exception has been granted by the authority.

26 “(4) Notwithstanding subsection (3) of this section, an exception must be
27 applied for and granted before the authority is required to pay for minor
28 tranquilizers and amphetamines and amphetamine derivatives, as defined by
29 rule of the authority.

30 “(5)(a) Notwithstanding subsections (1) to (4) of this section and except

1 as provided in paragraph (b) of this subsection, the authority is authorized
2 to:

3 “(A) Withhold payment for a legend drug when federal financial partic-
4 ipation is not available; and

5 “(B) Require prior authorization of payment for drugs that the authority
6 has determined should be limited to those conditions generally recognized
7 as appropriate by the medical profession.

8 “(b) The authority may not require prior authorization for therapeutic
9 classes of nonsedating antihistamines and nasal inhalers, as defined by rule
10 by the authority, when prescribed by an allergist for treatment of any of the
11 following conditions, as described by the Health Evidence Review Commis-
12 sion [*on the funded portion of its prioritized list of services*] **in the clinical**
13 **coverage policies developed under ORS 414.690:**

14 “(A) Asthma;

15 “(B) Sinusitis;

16 “(C) Rhinitis; or

17 “(D) Allergies.

18 “(6) The authority shall pay a rural health clinic for a legend drug pre-
19 scribed and dispensed under this chapter by a licensed practitioner at the
20 rural health clinic for an urgent medical condition if:

21 “(a) There is not a pharmacy within 15 miles of the clinic;

22 “(b) The prescription is dispensed for a patient outside of the normal
23 business hours of any pharmacy within 15 miles of the clinic; or

24 “(c) No pharmacy within 15 miles of the clinic dispenses legend drugs
25 under this chapter.

26 “(7) Notwithstanding ORS 414.334, the authority may conduct prospective
27 drug utilization review in accordance with ORS 414.351 to 414.414.

28 “(8) Notwithstanding subsection (3) of this section, the authority may pay
29 a pharmacy for a particular brand name drug rather than the generic version
30 of the drug after notifying the pharmacy that the cost of the particular brand

1 name drug, after receiving discounted prices and rebates, is equal to or less
2 than the cost of the generic version of the drug.

3 “(9)(a) Within 180 days after the United States patent expires on an
4 immunosuppressant drug used in connection with an organ transplant, the
5 authority shall determine whether the drug is a narrow therapeutic index
6 drug.

7 “(b) As used in this subsection, ‘narrow therapeutic index drug’ means a
8 drug that has a narrow range in blood concentrations between efficacy and
9 toxicity and requires therapeutic drug concentration or pharmacodynamic
10 monitoring.

11 **“SECTION 9.** ORS 414.325, as amended by section 3, chapter 628, Oregon
12 Laws 2021, is amended to read:

13 “414.325. (1) As used in this section:

14 “(a) ‘Legend drug’ means any drug requiring a prescription by a practi-
15 tioner, as defined in ORS 689.005.

16 “(b) ‘Urgent medical condition’ means a medical condition that arises
17 suddenly, is not life-threatening and requires prompt treatment to avoid the
18 development of more serious medical problems.

19 “(2) A licensed practitioner may prescribe such drugs under this chapter
20 as the practitioner in the exercise of professional judgment considers appro-
21 priate for the diagnosis or treatment of the patient in the practitioner’s care
22 and within the scope of practice. Prescriptions shall be dispensed in the ge-
23 neric form pursuant to ORS 689.515 and pursuant to rules of the Oregon
24 Health Authority unless the practitioner prescribes otherwise and an excep-
25 tion is granted by the authority.

26 “(3) Except as provided in subsections (4) and (5) of this section, the au-
27 thority shall place no limit on the type of legend drug that may be prescribed
28 by a practitioner, but the authority shall pay only for drugs in the generic
29 form unless an exception has been granted by the authority.

30 “(4) Notwithstanding subsection (3) of this section, an exception must be

1 applied for and granted before the authority is required to pay for minor
2 tranquilizers and amphetamines and amphetamine derivatives, as defined by
3 rule of the authority.

4 “(5)(a) Notwithstanding subsections (1) to (4) of this section and except
5 as provided in paragraph (b) of this subsection, the authority is authorized
6 to:

7 “(A) Withhold payment for a legend drug when federal financial partic-
8 ipation is not available; and

9 “(B) Require prior authorization of payment for drugs that the authority
10 has determined should be limited to those conditions generally recognized
11 as appropriate by the medical profession.

12 “(b) The authority may not require prior authorization for:

13 “(A) Therapeutic classes of nonsedating antihistamines and nasal
14 inhalers, as defined by rule by the authority, when prescribed by an allergist
15 for treatment of any of the following conditions, as described by the Health
16 Evidence Review Commission [*on the funded portion of its prioritized list of*
17 *services*] **in the clinical coverage policies developed under ORS 414.690:**

18 “(i) Asthma;

19 “(ii) Sinusitis;

20 “(iii) Rhinitis; or

21 “(iv) Allergies.

22 “(B) Any mental health drug prescribed for a medical assistance recipient
23 if:

24 “(i) The claims history available to the authority shows that the recipient
25 has been in a course of treatment with the drug during the preceding 365-day
26 period; or

27 “(ii) The prescriber specifies on the prescription ‘dispense as written’ or
28 includes the notation ‘D.A.W.’ or words of similar meaning.

29 “(6) The authority shall pay a rural health clinic for a legend drug pre-
30 scribed and dispensed under this chapter by a licensed practitioner at the

1 rural health clinic for an urgent medical condition if:

2 “(a) There is not a pharmacy within 15 miles of the clinic;

3 “(b) The prescription is dispensed for a patient outside of the normal
4 business hours of any pharmacy within 15 miles of the clinic; or

5 “(c) No pharmacy within 15 miles of the clinic dispenses legend drugs
6 under this chapter.

7 “(7) Notwithstanding ORS 414.334, the authority may conduct prospective
8 drug utilization review in accordance with ORS 414.351 to 414.414.

9 “(8) Notwithstanding subsection (3) of this section, the authority may pay
10 a pharmacy for a particular brand name drug rather than the generic version
11 of the drug after notifying the pharmacy that the cost of the particular brand
12 name drug, after receiving discounted prices and rebates, is equal to or less
13 than the cost of the generic version of the drug.

14 “(9)(a) Within 180 days after the United States patent expires on an
15 immunosuppressant drug used in connection with an organ transplant, the
16 authority shall determine whether the drug is a narrow therapeutic index
17 drug.

18 “(b) As used in this subsection, ‘narrow therapeutic index drug’ means a
19 drug that has a narrow range in blood concentrations between efficacy and
20 toxicity and requires therapeutic drug concentration or pharmacodynamic
21 monitoring.

22 **“SECTION 10.** ORS 414.780 is amended to read:

23 “414.780. (1) As used in this section:

24 “(a) ‘Behavioral health coverage’ means mental health treatment and
25 services and substance use disorder treatment or services reimbursed by a
26 coordinated care organization.

27 “(b) ‘Coordinated care organization’ has the meaning given that term in
28 ORS 414.025.

29 “(c) ‘Mental health treatment and services’ means the treatment of or
30 services provided to address any condition or disorder that falls under any

1 of the diagnostic categories listed in the mental disorders section of the
2 current edition of the:

3 “(A) International Classification of Disease; or

4 “(B) Diagnostic and Statistical Manual of Mental Disorders.

5 “(d) ‘Nonquantitative treatment limitation’ means a limitation that is not
6 expressed numerically but otherwise limits the scope or duration of behav-
7 ioral health coverage, such as medical necessity criteria or other utilization
8 review.

9 “(e) ‘Substance use disorder treatment and services’ means the treatment
10 of and any services provided to address any condition or disorder that falls
11 under any of the diagnostic categories listed in the substance use section of
12 the current edition of the:

13 “(A) International Classification of Disease; or

14 “(B) Diagnostic and Statistical Manual of Mental Disorders.

15 “(2) No later than March 1 of each calendar year, the Oregon Health
16 Authority shall prescribe the form and manner for each coordinated care
17 organization to report to the authority, on or before June 1 of the calendar
18 year, information about the coordinated care organization’s compliance with
19 mental health parity requirements, including but not limited to the follow-
20 ing:

21 “(a) The specific plan or coverage terms or other relevant terms regarding
22 the nonquantitative treatment limitations and a description of all mental
23 health or substance use disorder benefits and medical or surgical benefits to
24 which each such term applies in each respective benefits classification.

25 “(b) The factors used to determine that the nonquantitative treatment
26 limitations will apply to mental health or substance use disorder benefits and
27 medical or surgical benefits.

28 “(c) The evidentiary standards used for the factors identified in paragraph
29 (b) of this subsection, when applicable, provided that every factor is defined,
30 and any other source or evidence relied upon to design and apply the non-

1 quantitative treatment limitations to mental health or substance use disorder
2 benefits and medical or surgical benefits.

3 “(d) The number of denials of coverage of mental health treatment and
4 services, substance use disorder treatment and services and medical and
5 surgical treatment and services, the percentage of denials that were ap-
6 pealed, the percentage of appeals that upheld the denial and the percentage
7 of appeals that overturned the denial.

8 “(e) The percentage of claims for behavioral health coverage and for
9 coverage of medical and surgical treatments that were paid to in-network
10 providers and the percentage of such claims that were paid to out-of-network
11 providers.

12 “(f) Other data or information the authority deems necessary to assess a
13 coordinated care organization’s compliance with mental health parity re-
14 quirements.

15 “(3) Coordinated care organizations must demonstrate in the documenta-
16 tion submitted under subsection (2) of this section, that the processes,
17 strategies, evidentiary standards and other factors used to apply nonquanti-
18 tative treatment limitation to mental health or substance use disorder
19 treatment, as written and in operation, are comparable to and are applied
20 no more stringently than the processes, strategies, evidentiary standards and
21 other factors used to apply nonquantitative treatment limitations to medical
22 or surgical treatments in the same classification.

23 “(4) Each calendar year the authority, in collaboration with individuals
24 representing behavioral health treatment providers, community mental
25 health programs, coordinated care organizations, the Consumer Advisory
26 Council established in ORS 430.073 and consumers of mental health or sub-
27 stance use disorder treatment, shall, based on the information reported under
28 subsection (2) of this section, identify and assess:

29 “(a) Coordinated care organizations’ compliance with the requirements for
30 parity between the behavioral health coverage and the coverage of medical

1 and surgical treatment in the medical assistance program; and

2 “(b) The authority’s compliance with the requirements for parity between
3 the behavioral health coverage and the coverage of medical and surgical
4 treatment in the medical assistance program for individuals who are not
5 enrolled in a coordinated care organization.

6 “(5) No later than December 31 of each calendar year, the authority shall
7 submit a report to the interim committees of the Legislative Assembly re-
8 lated to mental or behavioral health, in the manner provided in ORS 192.245,
9 that includes:

10 “(a) The authority’s findings under subsection (4) of this section on com-
11 pliance with rules regarding mental health parity, including a comparison
12 of coverage for members of coordinated care organizations to coverage for
13 medical assistance recipients who are not enrolled in coordinated care or-
14 ganizations as applicable; and

15 “(b) An assessment of:

16 “(A) The adequacy of the provider network as prescribed by the authority
17 by rule.

18 “(B) The timeliness of access to mental health and substance use disorder
19 treatment and services, as prescribed by the authority by rule.

20 “(C) The criteria used by each coordinated care organization to determine
21 medical necessity and behavioral health coverage, including each coordinated
22 care organization’s payment protocols and procedures.

23 “(D) Data on services that are requested but that coordinated care or-
24 ganizations are not required to provide.

25 “(E) The consistency of credentialing requirements for behavioral health
26 treatment providers with the credentialing of medical and surgical treatment
27 providers.

28 “(F) The utilization review, as defined by the authority by rule, applied
29 to behavioral health coverage compared to coverage of medical and surgical
30 treatments.

1 “(G) The specific findings and conclusions reached by the authority with
2 respect to the coverage of mental health and substance use disorder treat-
3 ment and the authority’s analysis that indicates that the coverage is or is
4 not in compliance with this section.

5 “(H) The specific findings and conclusions of the authority demonstrating
6 a coordinated care organization’s compliance with this section and with the
7 Paul Wellstone and Pete Domenici Mental Health Parity and Addiction Eq-
8 uity Act of 2008 (P.L. 110-343) and rules adopted thereunder.

9 “(6) Except as provided in subsection (5)(b)(D) of this section, this section
10 does not require coordinated care organizations to report data on services
11 that are not [*funded on the prioritized list of health services compiled by the*
12 *Health Evidence Review Commission under ORS 414.690*] **covered health**
13 **services under the state’s medical assistance program, as determined**
14 **under ORS 414.065 and 414.690.**

15 **“SECTION 11.** ORS 415.500 is amended to read:

16 “415.500. As used in this section and ORS 415.501 and 415.505:

17 “(1) ‘Corporate affiliation’ has the meaning prescribed by the Oregon
18 Health Authority by rule, including:

19 “(a) Any relationship between two organizations that reflects, directly or
20 indirectly, a partial or complete controlling interest or partial or complete
21 corporate control; and

22 “(b) Transactions that merge tax identification numbers or corporate
23 governance.

24 “(2) ‘Essential services’ means:

25 “(a) Services that are [*funded on the prioritized list described in ORS*
26 *414.690*] **covered under the state’s medical assistance program, as de-**
27 **termined under ORS 414.065 and 414.690; and**

28 “(b) Services that are essential to achieve health equity.

29 “(3) ‘Health benefit plan’ has the meaning given that term in ORS
30 743B.005.

1 “(4)(a) ‘Health care entity’ includes:

2 “(A) An individual health professional licensed or certified in this state;

3 “(B) A hospital, as defined in ORS 442.015, or hospital system, as defined

4 by the authority by rule;

5 “(C) A carrier, as defined in ORS 743B.005, that offers a health benefit

6 plan in this state;

7 “(D) A Medicare Advantage plan;

8 “(E) A coordinated care organization or a prepaid managed care health

9 services organization, as both terms are defined in ORS 414.025; and

10 “(F) Any other entity that has as a primary function the provision of

11 health care items or services or that is a parent organization of, or is an

12 entity closely related to, an entity that has as a primary function the pro-

13 vision of health care items or services.

14 “(b) ‘Health care entity’ does not include:

15 “(A) Long term care facilities, as defined in ORS 442.015.

16 “(B) Facilities licensed and operated under ORS 443.400 to 443.455.

17 “(5) ‘Health equity’ has the meaning prescribed by the Oregon Health

18 Policy Board and adopted by the authority by rule.

19 “(6)(a) ‘Material change transaction’ means:

20 “(A) A transaction in which at least one party had average revenue of

21 \$25 million or more in the preceding three fiscal years and another party:

22 “(i) Had an average revenue of at least \$10 million in the preceding three

23 fiscal years; or

24 “(ii) In the case of a new entity, is projected to have at least \$10 million

25 in revenue in the first full year of operation at normal levels of utilization

26 or operation as prescribed by the authority by rule.

27 “(B) If a transaction involves a health care entity in this state and an

28 out-of-state entity, a transaction that otherwise qualifies as a material

29 change transaction under this paragraph that may result in increases in the

30 price of health care or limit access to health care services in this state.

1 “(b) ‘Material change transaction’ does not include:

2 “(A) A clinical affiliation of health care entities formed for the purpose
3 of collaborating on clinical trials or graduate medical education programs.

4 “(B) A medical services contract or an extension of a medical services
5 contract.

6 “(C) An affiliation that:

7 “(i) Does not impact the corporate leadership, governance or control of
8 an entity; and

9 “(ii) Is necessary, as prescribed by the authority by rule, to adopt ad-
10 vanced value-based payment methodologies to meet the health care cost
11 growth targets under ORS 442.386.

12 “(D) Contracts under which one health care entity, for and on behalf of
13 a second health care entity, provides patient care and services or provides
14 administrative services relating to, supporting or facilitating the provision
15 of patient care and services, if the second health care entity:

16 “(i) Maintains responsibility, oversight and control over the patient care
17 and services; and

18 “(ii) Bills and receives reimbursement for the patient care and services.

19 “(E) Transactions in which a participant that is a health center as defined
20 in 42 U.S.C. 254b, while meeting all of the participant’s obligations, acquires,
21 affiliates with, partners with or enters into any agreement with another en-
22 tity unless the transaction would result in the participant no longer quali-
23 fying as a health center under 42 U.S.C. 254b.

24 “(7)(a) ‘Medical services contract’ means a contract to provide medical
25 or mental health services entered into by:

26 “(A) A carrier and an independent practice association;

27 “(B) A carrier, coordinated care organization, independent practice asso-
28 ciation or network of providers and one or more providers, as defined in ORS
29 743B.001;

30 “(C) An independent practice association and an individual health pro-

1 fessional or an organization of health care providers;

2 “(D) Medical, dental, vision or mental health clinics; or

3 “(E) A medical, dental, vision or mental health clinic and an individual
4 health professional to provide medical, dental, vision or mental health ser-
5 vices.

6 “(b) ‘Medical services contract’ does not include a contract of employment
7 or a contract creating a legal entity and ownership of the legal entity that
8 is authorized under ORS chapter 58, 60 or 70 or under any other law au-
9 thORIZING the creation of a professional organization similar to those au-
10 THORIZED by ORS chapter 58, 60 or 70, as may be prescribed by the authority
11 by rule.

12 “(8) ‘Net patient revenue’ means the total amount of revenue, after al-
13 lowance for contractual amounts, charity care and bad debt, received for
14 patient care and services, including:

15 “(a) Value-based payments;

16 “(b) Incentive payments;

17 “(c) Capitation payments or payments under any similar contractual ar-
18 rangement for the prepayment or reimbursement of patient care and services;
19 and

20 “(d) Any payment received by a hospital to reimburse a hospital assess-
21 ment under ORS 414.855.

22 “(9) ‘Revenue’ means:

23 “(a) Net patient revenue; or

24 “(b) The gross amount of premiums received by a health care entity that
25 are derived from health benefit plans.

26 “(10) ‘Transaction’ means:

27 “(a) A merger of a health care entity with another entity;

28 “(b) An acquisition of one or more health care entities by another entity;

29 “(c) New contracts, new clinical affiliations and new contracting affil-
30 iations that will eliminate or significantly reduce, as defined by the author-

1 ity by rule, essential services;

2 “(d) A corporate affiliation involving at least one health care entity; or

3 “(e) Transactions to form a new partnership, joint venture, accountable
4 care organization, parent organization or management services organization,
5 as prescribed by the authority by rule.

6 **“SECTION 12.** ORS 741.340 is amended to read:

7 “741.340. The Oregon Health Authority, in developing and offering the
8 health benefit package required by ORS 413.011 (1)(j), may not establish
9 policies or procedures that discourage insurers from offering more compre-
10 hensive health benefit plans that provide greater consumer choice at a
11 higher cost. The health benefit package approved by the Oregon Health
12 Policy Board shall:

13 “(1) Promote the provision of services through an integrated health home
14 model that reduces unnecessary hospitalizations and emergency department
15 visits.

16 “(2) Require little or no cost sharing for evidence-based preventive care
17 and services, such as care and services that have been shown to prevent
18 acute exacerbations of disease symptoms in individuals with chronic ill-
19 nesses.

20 “(3) Create incentives for individuals to actively participate in their own
21 health care and to maintain or improve their health status.

22 “(4) Require a greater contribution by an enrollee to the cost of elective
23 or discretionary health services.

24 “(5) Include a defined set of health care services that are affordable, fi-
25 nancially sustainable and based upon the [*prioritized list of health services*
26 *developed and updated by the Health Evidence Review Commission under ORS*
27 *414.690*] **services that are covered under the state’s medical assistance**
28 **program, as determined under ORS 414.065 and 414.690.**

29 **“SECTION 13. (1) The amendments to ORS 414.025, 414.065, 414.325,**
30 **414.689, 414.690, 414.701, 414.735, 414.780, 415.500 and 741.340 by sections**

1 1 to 12 of this 2025 Act become operative on January 1, 2027.

2 “(2) The Oregon Health Authority and the Health Evidence Review
3 Commission may take any action before the operative date specified
4 in subsection (1) of this section that is necessary to enable the au-
5 thority and the commission to exercise, on and after the operative
6 date specified in subsection (1) of this section, all of the duties, func-
7 tions and powers conferred on the authority and the commission by
8 the amendments to ORS 414.025, 414.065, 414.325, 414.689, 414.690, 414.701,
9 414.735, 414.780, 415.500 and 741.340 by sections 1 to 12 of this 2025 Act.

10 “SECTION 14. This 2025 Act takes effect on the 91st day after the
11 date on which the 2025 regular session of the Eighty-third Legislative
12 Assembly adjourns sine die.”.

13
