14 to notice under ORS 197.615. Failure to include a statement identifying when,
15 how and to whom notice was provided under ORS 197.615 does not render the
16 notice defective. Copies of the notice of intent to appeal shall be served upon
17 the local government, special district or state agency and the applicant of
18 record, if any, in the local government, special district or state agency pro-
19 ceeding. The notice shall be served and filed in the form and manner pre-

25 local government, special district or state agency shall transmit to the board
26 the original or a certified copy of the entire record of the proceeding under
27 review. By stipulation of all parties to the review proceeding the record may
28 be shortened. The board may require or permit subsequent corrections to the
29 record; however, the board shall issue an order on a motion objecting to the
30 record within 60 days of receiving the motion. If the board denies a

1 petitioner's objection to the record, the board may establish a new deadline
2 for the petition for review to be filed that may not be less than 14 days from
3 the later of the original deadline for the brief or the date of denial of the
4 petitioner's record objection.

5 "(b) Within 10 days after service of a notice of intent to appeal, the board

10 by a statement that mediation information or assistance may be obtained
11 from the Department of Land Conservation and Development.

12 "(11) A petition for review of the land use decision or limited land use
13 decision and supporting brief shall be filed with the board as required by the
14 board under subsection (13) of this section.

15 "(12) The petition shall include a copy of the decision sought to be re-

30 "(c) If a local government or state agency withdraws an order for pur-

1 poses of reconsideration, it shall, within such time as the board may allow,
2 affirm, modify or reverse its decision. If the petitioner is dissatisfied with the
3 local government or agency action after withdrawal for purposes of recon-
4 sideration, the petitioner may refile the notice of intent and the review shall
5 proceed upon the revised order. An amended notice of intent is not required
6 if the local government or state agency, on reconsideration, affirms the order
7 or modifies the order with only minor changes.

8 “(14) The board shall issue a final order within 77 days after the date of
9 transmittal of the record. If the order is not issued within 77 days the ap-
10 plicant may apply in Marion County or the circuit court of the county where

17 “(b) Shall award reasonable attorney fees and expenses to the prevailing
18 party against any other party who the board finds presented a position or
19 filed any motion without probable cause to believe the position or motion
20 was well-founded in law or on factually supported information.

21 “(c) Shall award costs and attorney fees to a party as provided in ORS
22 197.843.

23 “(16) Orders issued under this section may be enforced in appropriate ju-

25 “(17)(a) The board shall provide for the publication of its orders that are
26 of general public interest in the form it deems best adapted for public con-
27 venience. The publications shall constitute the official reports of the board.

28 “(b) Any moneys collected or received from sales by the board shall be
29 paid into the Board Publications Account established by ORS 197.832.

30 “(18) Except for any sums collected for publication of board opinions, all

1 fees collected by the board under this section that are not awarded as costs
2 shall be paid over to the State Treasurer to be credited to the General Fund.

3 “(19) The board shall track and report on its website:

19 board shall track whether the local government appears before the board.

23 On page 40, after line 37, insert:

24 “**SECTION 44a.** ORS 227.175, as amended by section 5, chapter 111,
25 Oregon Laws 2024, is amended to read:

26 “227.175. (1) When required or authorized by a city, an owner of land may
27 apply in writing to the hearings officer, or such other person as the city
28 council designates, for a permit or zone change, upon such forms and in such
29 a manner as the city council prescribes. The governing body shall establish
30 fees charged for processing permits at an amount no more than the actual

1 or average cost of providing that service.

2 “(2) The governing body of the city shall establish a consolidated proce-
3 dure by which an applicant may apply at one time for all permits or zone
4 changes needed for a development project. The consolidated procedure is
5 subject to the time limitations set out in ORS 227.178. The consolidated
6 procedure shall be available for use at the option of the applicant no later
7 than the time of the first periodic review of the comprehensive plan and land
8 use regulations.

9 “(3) Except as provided in subsection (10) of this section, the hearings
10 officer shall hold at least one public hearing on the application.

11 “(4)(a) A city may not approve an application unless the proposed devel-
12 opment of land would be in compliance with the comprehensive plan for the
13 city and other applicable land use regulation or ordinance provisions, in-
14 cluding an ordinance described in ORS 197A.400 [(1)(c)] **(1)(b)(C)**. The ap-
15 proval may include such conditions as are authorized by ORS 227.215 or any
16 city legislation.

17 “(b)(A) A city may not deny an application for a housing development
18 located within the urban growth boundary if the development complies with
19 clear and objective standards, including clear and objective design standards
20 contained in the city comprehensive plan or land use regulations.

21 “(B) This paragraph does not apply to:

22 “(i) Applications or permits for residential development in areas described
23 in ORS 197A.400 (2); or

24 “(ii) Applications or permits reviewed under an alternative approval pro-
25 cess adopted under ORS 197A.400 (3).

26 “(c) A city may not condition an application for a housing development
27 on a reduction in density if:

28 “(A) The density applied for is at or below the authorized density level
29 under the local land use regulations; and

30 “(B) At least 75 percent of the floor area applied for is reserved for

1 housing.

2 “(d) A city may not condition an application for a housing development
3 on a reduction in height if:

4 “(A) The height applied for is at or below the authorized height level
5 under the local land use regulations;

6 “(B) At least 75 percent of the floor area applied for is reserved for
7 housing; and

8 “(C) Reducing the height has the effect of reducing the authorized density
9 level under local land use regulations.

10 “(e) Notwithstanding paragraphs (c) and (d) of this subsection, a city may
11 condition an application for a housing development on a reduction in density
12 or height only if the reduction is necessary to resolve a health, safety or
13 habitability issue or to comply with a protective measure adopted pursuant
14 to a statewide land use planning goal. Notwithstanding ORS 197.350, the city
15 must adopt findings supported by substantial evidence demonstrating the
16 necessity of the reduction.

17 “(f) As used in this subsection:

18 “(A) ‘Authorized density level’ means the maximum number of lots or
19 dwelling units or the maximum floor area ratio that is permitted under local
20 land use regulations.

21 “(B) ‘Authorized height level’ means the maximum height of a structure
22 that is permitted under local land use regulations.

23 “(C) ‘Habitability’ means being in compliance with the applicable pro-
24 visions of the state building code under ORS chapter 455 and the rules
25 adopted thereunder.

26 “(5) Hearings under this section may be held only after notice to the ap-
27 plicant and other interested persons and shall otherwise be conducted in
28 conformance with the provisions of ORS 197.797.

29 “(6) Notice of a public hearing on a zone use application shall be provided
30 to the owner of an airport, defined by the Oregon Department of Aviation

1 as a 'public use airport' if:

2 “(a) The name and address of the airport owner has been provided by the
3 Oregon Department of Aviation to the city planning authority; and

4 “(b) The property subject to the zone use hearing is:

5 “(A) Within 5,000 feet of the side or end of a runway of an airport de-
6 termined by the Oregon Department of Aviation to be a 'visual airport'; or

7 “(B) Within 10,000 feet of the side or end of the runway of an airport
8 determined by the Oregon Department of Aviation to be an 'instrument air-
9 port.'

10 “(7) Notwithstanding the provisions of subsection (6) of this section, no-
11 tice of a zone use hearing need only be provided as set forth in subsection
12 (6) of this section if the permit or zone change would only allow a structure
13 less than 35 feet in height and the property is located outside of the runway
14 'approach surface' as defined by the Oregon Department of Aviation.

15 “(8) If an application would change the zone of property that includes all
16 or part of a mobile home or manufactured dwelling park as defined in ORS
17 446.003, the governing body shall give written notice by first class mail to
18 each existing mailing address for tenants of the mobile home or manufac-
19 tured dwelling park at least 20 days but not more than 40 days before the
20 date of the first hearing on the application. The governing body may require
21 an applicant for such a zone change to pay the costs of such notice.

22 “(9) The failure of a tenant or an airport owner to receive a notice which
23 was mailed does not invalidate any zone change.

24 “(10)(a)(A) The hearings officer or such other person as the governing
25 body designates may approve or deny an application for a permit without a
26 hearing if the hearings officer or other designated person gives notice of the
27 decision and provides an opportunity for any person who is adversely af-
28 fected or aggrieved, or who is entitled to notice under paragraph (c) of this
29 subsection, to file an appeal.

30 “(B) Written notice of the decision shall be mailed to those persons de-

1 scribed in paragraph (c) of this subsection.

2 “(C) Notice under this subsection shall comply with ORS 197.797 (3)(a),
3 (c), (g) and (h) and shall describe the nature of the decision. In addition, the
4 notice shall state that any person who is adversely affected or aggrieved or
5 who is entitled to written notice under paragraph (c) of this subsection may
6 appeal the decision by filing a written appeal in the manner and within the
7 time period provided in the city’s land use regulations. A city may not es-
8 tablish an appeal period that is less than 12 days from the date the written
9 notice of decision required by this subsection was mailed. The notice shall
10 state that the decision will not become final until the period for filing a local
11 appeal has expired. The notice also shall state that a person who is mailed
12 written notice of the decision cannot appeal the decision directly to the Land
13 Use Board of Appeals under ORS 197.830.

14 “(D) An appeal from a hearings officer’s decision made without hearing
15 under this subsection shall be to the planning commission or governing body
16 of the city. An appeal from such other person as the governing body desig-
17 nates shall be to a hearings officer, the planning commission or the govern-
18 ing body. In either case, the appeal shall be to a de novo hearing.

19 “(E) The de novo hearing required by subparagraph (D) of this paragraph
20 shall be the initial evidentiary hearing required under ORS 197.797 as the
21 basis for an appeal to the Land Use Board of Appeals. At the de novo hear-
22 ing:

23 “(i) The applicant and other parties shall have the same opportunity to
24 present testimony, arguments and evidence as they would have had in a
25 hearing under subsection (3) of this section before the decision;

26 “(ii) The presentation of testimony, arguments and evidence may not be
27 limited to issues raised in a notice of appeal; and

28 “(iii) The decision maker shall consider all relevant testimony, arguments
29 and evidence that are accepted at the hearing.

30 “(b) If a local government provides only a notice of the opportunity to

1 request a hearing, the local government may charge a fee for the initial
2 hearing. The maximum fee for an initial hearing shall be the cost to the local
3 government of preparing for and conducting the appeal, or \$250, whichever
4 is less. If an appellant prevails at the hearing or upon subsequent appeal, the
5 fee for the initial hearing shall be refunded. The fee allowed in this para-
6 graph does not apply to appeals made by neighborhood or community or-
7 ganizations recognized by the governing body and whose boundaries include
8 the site.

9 “(c)(A) Notice of a decision under paragraph (a) of this subsection shall
10 be provided to the applicant and to the owners of record of property on the
11 most recent property tax assessment roll where such property is located:

12 “(i) Within 100 feet of the property that is the subject of the notice when
13 the subject property is wholly or in part within an urban growth boundary;

14 “(ii) Within 250 feet of the property that is the subject of the notice when
15 the subject property is outside an urban growth boundary and not within a
16 farm or forest zone; or

17 “(iii) Within 750 feet of the property that is the subject of the notice when
18 the subject property is within a farm or forest zone.

19 “(B) Notice shall also be provided to any neighborhood or community
20 organization recognized by the governing body and whose boundaries include
21 the site.

22 “(C) At the discretion of the applicant, the local government also shall
23 provide notice to the Department of Land Conservation and Development.

24 “(11) A decision described in ORS 227.160 (2)(b) shall:

25 “(a) Be entered in a registry available to the public setting forth:

26 “(A) The street address or other easily understood geographic reference
27 to the subject property;

28 “(B) The date of the decision; and

29 “(C) A description of the decision made.

30 “(b) Be subject to the jurisdiction of the Land Use Board of Appeals in

1 the same manner as a limited land use decision.

2 “(c) Be subject to the appeal period described in ORS 197.830 (5)(b).

3 “(12) At the option of the applicant, the local government shall provide
4 notice of the decision described in ORS 227.160 (2)(b) in the manner required
5 by ORS 197.797 (2), in which case an appeal to the board shall be filed within
6 21 days of the decision. The notice shall include an explanation of appeal
7 rights.

8 “(13) Notwithstanding other requirements of this section, limited land use
9 decisions are subject to the requirements set forth in ORS 197.195 and
10 197.828.
