Requested by JOINT COMMITTEE ON INFORMATION MANAGEMENT AND TECHNOLOGY

PROPOSED AMENDMENTS TO
SENATE BILL 1090

1   On page 1 of the printed bill, delete lines 4 through 27 and delete pages

2   2 and 3 and insert:

3   **"SECTION 1. (1) The State Chief Information Officer shall adopt a**

4   **policy and a procedure for state agencies to follow in requesting**

5   **funding for information technology budgets and projects, including**

6   **replacements, modernizations, upgrades and expansions of information**

7   **technology systems. Each state agency that intends to request funding**

8   **for a budget or project described in this subsection shall submit the**

9   **request to the State Chief Information Officer and the office of En-**

10   **terprise Information Services for review not later than the date in**

11   **each biennium that the State Chief Information Officer specifies.**

12   **"(2) The State Chief Information Officer, in collaboration with the**

13   **Legislative Fiscal Office, shall establish criteria for assigning priorities**

14   **among the budgets and projects described in subsection (1) of this**

15   **section.**

16   **"(3) The office of Enterprise Information Services, in collaboration**

17   **with affected state agencies, shall evaluate budget and project requests**

18   **the state agencies submit under subsection (1) of this section against**

19   **the criteria that the State Chief Information Officer and Legislative**

20   **Fiscal Office specify under subsection (2) of this section. The office of**

21   **Enterprise Information Services shall then recommend for the State**

1 Chief Information Officer's approval priority rankings of the requests

2 within the context of all of each state agency's requests, the requests

3 in a program area and the requests that the executive department

4 submits as a whole. In recommending the ranking, the office of En-

5 terprise Information Services shall consider whether, and the extent

6 to which, a request:

7 "(a) Is consistent with and supports implementation of the Enter-

8 prise Information Resources Management Strategy described in ORS

9 276A.203 (4)(a)(M);

10 "(b) Involves or promotes the use of shared systems, resources or

11 data;

12 "(c) Uses commercially available systems or software;

13 "(d) Enhances the information security posture of the agency or the

14 state; and

15 "(e) Reduces system redundancies within an agency, a program area

16 or the state.

17 "(4) Not later than November 30 of the even-numbered year in each

18 biennium the State Chief Information Officer shall submit to the

19 Governor and the Joint Legislative Committee on Information Man-

20 agement and Technology a report that:

21 "(a) Lists the priority rankings described in subsection (3) of this

22 section;

23 "(b) Includes a list of the information technology services and the

24 recommendation from the State Chief Information Officer that is re-

25 quired under ORS 276A.203 (4)(a)(L); and

26 "(c) Describes critical information technology system or service

27 needs not otherwise identified within the priority rankings described

28 in subsection (3) of this section.

29 "(5) After the Legislative Assembly adopts a budget for the state,

30 the State Chief Information Officer, in collaboration with the Legis-

1 **lative Fiscal Office, shall submit to the Governor and the Joint Leg-**

2 **islative Committee on Information Management and Technology not**

3 **later than October 31 of the odd-numbered year in each biennium a**

4 **report that lists all of the information technology budget and project**

5 **requests that the Legislative Assembly approved.**

6 **"<u>SECTION 2.</u> This 2025 Act being necessary for the immediate**

7 **preservation of the public peace, health and safety, an emergency is**

8 **declared to exist, and this 2025 Act takes effect on its passage.".**
