

Submitter: Chad Kernutt
On Behalf Of: WE THE PEOPLE
Committee: House Committee On Climate, Energy, and Environment
Measure, Appointment or Topic: HB3119

My name is Chad Kernutt and I have a family of 5. I'm against the Oregon state Gov't intruding on WE THE PEOPLE'S rights constantly and making our state a harder and more expensive place to live. This attack on diesel trucks will make everything more expensive for the farmers on down through the consumers. Every bright idea, that Oregon's liberal Gov't in charge under their one party rule, ever comes up with in the name of environmental justice or taxing the rich/corporations more, always gets passed on to the workers/consumers. Stop the Gov't intrusion into our lives, robbing our pockets of our hard earned money for our families, and taking from WE THE PEOPLE our rights to life, liberty, and the pursuit of happiness!! I urge you to vote YES on HB-3119 and stop this foolishness and government intrusion and violation of our rights at once!!

Sincerely,

Chad Kernutt
