Committee: House Committee On Revenue

Measure, Appointment or Topic: HB3190

I'm excited about HB 3190. We have so much cultural heritage in our old buildings and neighborhoods. It's sad and disorienting when good buildings are torn down for the best profit. Let's incentivize saving some of the existing buildings in peril to support our communities. And how exciting if some of them can be a source of housing for people who need it the most. This bill makes sense for many different reasons.

Thank you.
