

Submitter: Kim Donner
On Behalf Of:
Committee: House Committee On Climate, Energy, and Environment
Measure, Appointment or Topic: HB3119

To whom it may concern,

While the trucking industry has invested billions into developing and purchasing cleaner technology and is not opposed to transitioning to zero-emission trucks, the runway for this mandate is incredibly short and the infrastructure and technology needed to transition to electric trucks simply doesn't exist yet.

Please delay the ACT until the industry has the time, the technology, and the necessary infrastructure to transition to electric vehicles.

Thank you,
Kim Donner
Freightliner & Western Star Northwest
