We have only lived here 5year and our rent has been raised very year. It has gone from \$565.00 to \$775.00 and we are still making house payments. It's very upsetting that we are not getting any upgrades or benefits for paying the extra money. The park is getting more ran down and management is getting ruder every year.

My husband has work hard, for 53 years and is afraid to retire because of the constant rent increase! We don't want to live out our golden years in a car!

Thank you,
Tiffany Koch
