

Submitter: Todd Morrow

On Behalf Of:

Committee: House Committee On Climate, Energy, and Environment

Measure, Appointment or Topic: HB3119

This bill would be devastating to our economy throughout all of Oregon and all of the tourism industry as a whole forcing all small business to shut down throughout the state that rely on their income flow. all farming would come to a full stop and the cost of all goods would double over night.

This should never be allowed to happen
