Please pass this bill. We are unable to afford \$935 a month rent, mobile home insurance, and car payment and insurance and all our other monthly bills. We have recently lost our car, which puts us in a real bind because there is no bus service close to here. Also, we are having to file bankruptcy because we have no money left over each month for food and other necessities.

Please help us be able to afford to stay in our home. I am 59 years old and my husband is 62. We are both on social security disability, which limits our income and does not allow us to earn much more.

We are begging for some assistance. thank you
