On Behalf Of:

Committee: House Committee On Climate, Energy, and Environment

Measure, Appointment or Topic: HB3119

I am writing to urge you to vote NO on HB 3119. I live in a neighborhood that is quite close to Highway 217 in the Portland metro area. I have long been concerned about the effects of the diesel-burning trucks that travel this highway 24/7 on our local air quality. Many children live in this neighborhood, and I have two friends with severe COPD. The Advanced Clean Truck (ACT) rule is desperately needed to protect the health of Oregonians as well as our climate. We cannot afford a delay of the ACT. Please vote NO on HB 3119.

Sincerely,

Dr. Amanda Duncan
