

Submitter: Gina Reece
On Behalf Of: Rep Shelly Boshart Davis
Committee: House Committee On Climate, Energy, and Environment
Measure, Appointment or Topic: HB3119

I am writing to support HB 3119 to delay Oregon's ban on diesel vehicles. The work so many Oregonian's perform on a daily basis relies on the ability to use these types of vehicles. Any other type of engine isn't strong enough; along with the ability to efficiently re-fuel without wasting valuable time on a job.
