

Submitter: Laura McGuire

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure, Appointment or Topic: HB3054

In support of measure HB 3054...

The rent increase that we are subject to is not sustainable by those of us on a fixed income that are living in the 55 and over manufactured home parks... and I believe that to be the majority. In addition, the loss of amenities we've experienced does not justify it.

Please help...
