

Submitter: maggie shreve  
On Behalf Of: Pollinator Project Rogue Valley  
Committee: House Committee On Agriculture, Land Use, Natural  
Resources, and Water  
Measure, Appointment or Topic: HB3173

Native Plants are the basis of our Natural World - our Natural Resources - our Food Web. This Bill 3173 is the very basis of the natural world that human and non-human live and thrive. I urge you to support this Bill 3173. As OSU is already set up to support the database, it is a high value, low cost Bill.
