

Submitter: Alan Schaaf

On Behalf Of:

Committee: Senate Committee On Natural Resources and  
Wildfire

Measure, Appointment or  
Topic: SB747

I impose senate bill 747 for many reasons.

There are pages of criteria that should come into consideration before a blanket decision.

As drafted senate bill 747.. Reflects a lack of understanding of both crop nutrition requirements and ground water impacts. This issue requires much much more studying. Rates alone cannot determine overapplication.
