

Submitter: Wayne Nay

On Behalf Of:

Committee: House Committee On Revenue

Measure, Appointment or Topic: HB2301

This is long overdue to the working class people in Oregon. Anyone who has contributed to the Oregon economy for a number of years is hit with a burden upon a family members death. Most working families do not have the resources to cover this unexpected expense. It may have been "fair" in 1990, but, not now.
