

Submitter: Lise Engber

On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or Topic: HB3173

This is a valuable resource for all gardeners to use. This data base has allowed me to create an incredible, diverse and fully native garden outside of Bend, Oregon. Not only do I get in-depth information about the plants, I also get recommendations on what nursery's I can get these plants from.

As a landscape designer in Oregon, I can't imagine not having this tool for my use.
