RE: Support for SB 916

To the Senate Committee On Labor and Business,

Workers go on strike at great sacrifice to themselves and their families. They do it for a greater good. This act of sacrifice and commitment should not be impoverishing. Our system should have the backs of workers who are at such extremes over intolerable conditions in the workplace that they've gone on strike.

Thank you for accepting my testimony and I look forward to your support,  
Oregon Nurse
