Measure, Appointment or Topic: SB916

My name is Michelle Wolfe and I'm a Hospital employee and a member of SEIU 49 union. I support SB 916 which would repeal the law blocking unemployment benefits to workers on strike. This bill would help ensure that workers are able to stay afloat while fighting for a fair contract.

It is hard enough to work with low wages, and insurance cost raising, fighting for a fair wage, safe working conditions, and then being pushed to have to strike, some of our families need to be able to survive and fight for what is correct
