Committee: Senate Committee On Natural Resources and
Wildfire
Measure, Appointment or Topic: SB769

SB 769, if passed, would create a chaotic approach to wildlife management and law enforcement. It would undermine the will of Oregon voters who do not support the killing of cougars, especially with hounds. Oregonians value their wildlife and wish to preserve it. Furthermore, voters have twice opposed the inhumane and unsporting use of hounds for trophy hunting because it is cruel, unethical, and barbaric.
