As a home owner in Lane County, I support this. My home sits on 2 acres and we have had multiple cougars on our property each year. It feels unsafe to let kids play outside and worse to let them wait for the bus in the dark. our neighboring property has had 2 dogs killed by cougars. one cougar was killed by a car in front of our home. A neighbor a few houses down lost several goats. Another, also several houses down has a returning pack of young cougars that go on her porch, there are 4.

The population of cougars is out of control.
