

Submitter: Oregon Nurse

On Behalf Of:

Committee: Senate Committee On Labor and Business

Measure, Appointment or Topic: SB916

RE: Support for SB 916

To the Senate Committee On Labor and Business,

It has been very hard to live without any income for a while; however, it is crucial for our patients to get appropriate care and that we get appropriate staffing and funds for it.

Thank you for accepting my testimony and I look forward to your support.  
Oregon Nurse
