

Submitter: Ciarra Larkin

On Behalf Of:

Committee: Senate Committee On Labor and Business

Measure, Appointment or Topic: SB916

How about you just do your job! If you decide to walk out, it is not the citizens responsibility to pay their unemployment!

If this is the case- then every citizen in Oregon needs their own individual account and their money they paid in taxes be put directly into their account and let it be there choice on how it's used!
