

Submitter: MIKE SLAGLE

On Behalf Of:

Committee: Senate Committee On Labor and Business

Measure, Appointment or Topic: SB916

This bill is an evil attack on business. You are actually promoting persons to walk off the job with no financial penalty for not working. This is an evil way to kill business. Isn't the state of Oregon the largest employer of the workforce of all businesses? Who pays those wages? Us taxpayers. I strongly oppose this bill.
