Committee: Senate Committee On Labor and Business
Measure, Appointment or Topic: SB916

RE: Support for SB 916

To the Senate Committee On Labor and Business,

I am a Registered Nurse and proud ONA member currently on strike against Providence. I strongly urge you to pass SB 916 / HB 3434 because supporting nurses supports our patients and keeps our community healthy.

Thank you for your accepting my testimony and I look forward to your support.
Oregon Nurse
