Measure, Appointment or  
Topic: SB769

I oppose this measure because it would allow a cruel practice - hunting cougars with dogs. It is just as cruel in a county where people want the practice as in a county where people oppose the practice. This practice has already been banned statewide - the people have spoken. There is no pressing reason to review this again. It doesn't make people or farm animals safer - and it doesn't improve conditions for other wildlife like elk. Thank you!
