

Submitter: DAvid Brown

On Behalf Of:

Committee: Senate Committee On Labor and Business

Measure, Appointment or Topic: SB916

Oregon already has a very bad business environment. Oregon is not business friendly. Business leave Oregon, which slows the economy down, which causes poverty and unemployment. This bill will be a further onerous burden on businesses. As an accounting professional, I am aware of the struggles businesses go through. Please do not pass this very bad bill.
