

Submitter: Terry Ely

On Behalf Of:

Committee: Joint Committee On Transportation

Measure, Appointment or Topic: HB3155

I would like to voice my support for HB3155. This would be beneficial to my situation as disabled veteran I enjoy taking my UTV to the dunes. Currently I need to trailer my machine a quarter mile to be in the designated area to operate on a public roadway. This is a difficult process due to my condition. If this bill was to be approved, I would greatly improve enjoyment. Thank you.
