

Submitter: Jeff Powell

On Behalf Of:

Committee: Senate Committee On Natural Resources and
Wildfire

Measure, Appointment or
Topic: SB769

I seriously support this bill, this is a must as I live in rural farm lands and see livestock taken daily by these creatures.

Are they a magnificent creature, 100% absolutely but they need to be regulated to protect these farmers livestock and well-being. Along with the natural wildlife of our amazing state.
