Measure, Appointment or
Topic: SB769

My family live SW of Eugene urban growth boundary, Lane County. We've had cougars randomly kill neighbor's sheep (count of 13), alpacas (count 2). A cougar ran 10 feet by a neighbor while chasing a deer. We need Oregon legislators to chose wise laws to protect Oregon citizens and wildlife and livestock from over populated cougars.

Please support SB769 for safer communities and balance of animal life.
