Dear Committee,

I read a lot of the opposed testimonies, Mostly all of them say this is about trophy hunting. I URGE YOU TO IGNORE THESE COMMENTS, this bill allows the county to vote on whether or not ODFW will manage mountain lions. This is not about trophy hunting or inhumane hunting. This is about management of a population that needs management. The only way to manage these animals is with the use of canines. I favor this bill and i hope you can see with the science provide by ODFW that this is a necessity to a healthy population amongst all big game animals.

Sincerely
