On Behalf Of:

Committee: Senate Committee On Labor and Business

Measure, Appointment or Topic: SB916

It is imperative to support union workers legally exercising their right to strike. Providing a promise to keep their insurance and provide unemployment is crucial to the momentum of contract bargaining. The fear of not being able to provide basic necessities that could be covered partially or fully with unemployed should not be a forethought when holding the line for better working standards to the community of which we serve.
