Committee: Senate Committee On Natural Resources and
Wildfire

Measure, Appointment or
Topic: SB769

I am writing to oppose the use of dogs to terrorize animals of any kind including cougars. This is not a sport and I believe the voters have been clear about this issue. If people are concerned about cougar population they can spay and neuter the animals in a cost effective non traumatic way or relocate problem animals as necessary. Let's use our intellect to be good and kind stewards to the creatures we co-exist with.

Respectfully,
Kali Miller PhD
