Measure, Appointment or
Topic: SB769

As an Oregonian, I strongly urge you to oppose SB 769. This bill would overturn the will of the voters, who have already shown where they stand on this issue—twice. Oregonians are opposed to the hunting of cougars with hounds and want to keep their protections in place.

The very idea of using dogs to hunt cougars is barbaric and disgusting. We're better than this. Wildlife deserves our protection or soon there will be no apex predators left in the United States. This would be a loss for all of us, including future generations.
