On Behalf Of:
Committee: Senate Committee On Natural Resources and
Wildfire
Measure, Appointment or Topic: SB769

I live and own property in Hood River, Oregon. I strongly support a healthy ecosystem that provides habitat both for predators such a mountain lions and prey. As an Oregonian, I strongly urge you to oppose SB 769. This bill would overturn the will of the voters, who have already shown where they stand on this issue—twice. Oregonians are opposed to the hunting of cougars with hounds and want to keep their protections in place.

Please stand by the will of Oregon who like me don't want to torment and harass mountain lions. Please oppose the passage of SB 769.

Thank you,
Christine Psyk
