Committee: Senate Committee On Labor and Business

Measure, Appointment or Topic: SB916

My name is Emily and I'm a Case manager and a member of SEIU 503 union. I support SB 916 which would repeal the law blocking unemployment benefits to workers on strike. This bill would help ensure that workers are able to stay afloat while fighting for a fair contract.

Many of our workers will not authorize a strike even when it is needed to win a fair contract. Most people cannot afford to strike due to the financial impact. Supporting SB 916 is supporting working families in OR.
