On Behalf Of:  
Committee: Senate Committee On Natural Resources and  
Wildfire  
Measure, Appointment or Topic: SB769

This will not end well. For either party. If you want people to feel safe from cougars you should be setting aside more protected land. And while some who would hunt the cougars might be doing it for reasonable or noble reasons, others will use this as an excuse to trophy hunt and to kill wildlife of all sorts. Leave the cougar hunting to official state organizations.
